INDEX

Chapter - 1
Profile of Research Study

I. Introduction ................................. 1

II. Inter-State Comparison of Economic Parameters ................. 3
   A. Net State Domestic Product (NSDP) .................. 4
   B. Investments in States (as on October, 2000) ......... 8
   C. Population .................................. 10
   D. Per Capita Income (PCI) .......................... 10
   E. Physical Infrastructure ......................... 11

III. Objective of Research .......................... 16

IV. Structure of Research Study .......................... 17

V. Hypothesis of Research Study ....................... 19

Chapter - 2
Industrial Policy Reforms

I. Need For Reforms .................................. 20

II. Development of Industrial Sector in India 1950-51 to 1999-2000 21
   A. Pre-reform period .................................. 22
   B. Post-Reform Period ................................. 23

III. New Industrial Policy ............................. 24
   A. Features And Implications ......................... 25
   B. Objectives and Measures ........................... 25
   C. Progressive Economy ............................... 25
   D. Greater Market-Orientabon ......................... 26
   E. Strengthening Private Sector ....................... 27
F. Larger Scope 27
G. Dismantling of Controls 27
H. Dispersing Industries 28
I. Redefining the Role of Public Sector 29
J. Important Role for Foreign Investments 31
K. Foreign Technology 32
L. High Priority Industries 32
M. Controlling Monopolies 33
N. Promoting Small Sector Industries 34
O. Special Measures for Tiny Sector 36

IV. Industrial Policy Reforms 37

Chapter – 3
Physiography and Socio-Economic Status of States

I. Physiography of the States 40

A. Andhra Pradesh 40
   A.1 Important Statistical Data 40
   A.2 Physiography 41
   A.3 Economy 41

B. Gujarat 42
   B.1 Important Statistical Data 42
   B.2 Physiography 43
   B.3 Economy 43

C. Karnataka 44
   C.1 Important Statistical Data 44
   C.2 Physiography 45
II. Socio-Economic Conditions

1. Relative Infrastructure Development Index 1980-81 to 1993-94
2. Transport & Communications 1993-94
3. Energy
4. Investment on Hand (as of February 1997)
5. Development in Banking & Finance (March 1996)
6. Public Finance (Rs Crores.) (Year 1995-96)
7. NSDP (Rs. Crores at current prices)
8. Sector-wise share in state income
9. Literate population
10. Investment profile of all states
11. Ten Large Projects

III. Perception Ranks of States

- Andhra Pradesh
- Gujarat
Chapter – 4
Analysis of Industrial Reforms

I. **Reforms at State Level**

II. **Industrial Reforms made by Andhra Pradesh, Gujarat, Karnataka, Maharashtra and Tamilnadu**

A. Industrial Reforms made by Andhra Pradesh

B. Industrial Reforms made by Gujarat

- Introduction
- Objective of Industrial policy 1995-2000
- Highlights or Salient Features of Industrial Policy

C. Industrial Reforms made by Karnataka

- Introduction
- Dynamic Industrial Reforms
- Highlights or Salient Features of Industrial Policy

D. Industrial Reforms made by Maharashtra

- Introduction
- Goals and objectives of new industrial policy since 1993

E. Industrial Reforms made by Tamilnadu

- Introduction
- Industrial Policy Reforms

III. **Infrastructure Development in Andhra Pradesh, Gujarat, Karnataka, Maharashtra and Tamilnadu**

A. Andhra Pradesh

vi
Chapter - 5
Investment Incentives Scenario in Various States

I. Introduction

II. Incentives Offered by the State Governments
   - Andhra Pradesh
   - Gujarat
   - Karnataka
   - Maharashtra
   - Tamilnadu

III. Investment Incentives
   - Andhra Pradesh
   - Gujarat
   - Karnataka
   - Maharashtra
   - Tamilnadu

IV. Institutional Support from the Government
   - Andhra Pradesh
   - Gujarat
   - Karnataka
   - Maharashtra
   - Tamilnadu
Chapter - 6
Impact of Economic Reforms

I. Economic Performance of these states in Post Reforms Period 112

II. Expectations from Reforms 113

III. Impact Of Economic Reforms 114

A. Growth in State Domestic Product (SDP) 114
   - GSDP (Gross State Domestic Product) at Current Prices 115
   - NSDP (Net State Domestic Product) at Current Prices 115
     ➤ Andhra Pradesh 115
     ➤ Gujarat 116
     ➤ Karnataka 117
     ➤ Maharashtra 118
     ➤ Tamilnadu 119

B. Increase in Per Capita Income (PCI) 120
   ➤ Andhra Pradesh 120
   ➤ Gujarat 121
   ➤ Karnataka 121
   ➤ Maharashtra 122
   ➤ Tamilnadu 123

C. Increase in Foreign Direct Investment (FDI) 124

D. Increase in Investment 127
   D.1 Objective and Perception Ranks 129
   D.2 Total Investment in Projects 129
      1) Andhra Pradesh 129
      2) Gujarat 130
      3) Karnataka 130
Chapter - 7
Inter-State Comparison of Reforms

I. Inter-State comparison of Reforms

A. Objectives of Reforms

B. Special Features of Reforms

C. Subsidies Offered by different States

D. Special Schemes Offered by different States

E. Comments
II. Inter-State Comparison of Investment Incentives

- Andhra Pradesh
- Gujarat
- Karnataka
- Maharashtra
- Tamilnadu

III. Strengths, Weaknesses, Opportunities & Threats Analysis

A. Analysis of Strengths of different states
B. Analysis of Weaknesses of different states
C. Analysis of perceived Opportunities available to different states
D. Analysis of perceived Threats by different states

IV. Implementation of Reforms and Policies

A. Andhra Pradesh
B. Gujarat
C. Karnataka
D. Maharashtra
E. Tamilnadu

Chapter- 8
Conclusion & Recommendations of Study

I. Conclusions of Research Study
II. Common Misunderstandings About Reforms
III. Scope for Further Study
IV. Recommendations of Research Study
