INDEX

Chapter 1 – INTRODUCTION

- Introduction 1
- Emergence of Research 3
- Managerial Roles and functions 5
- Type of Managers 7
- Personality 10
- Importance of Personality characteristics in organization 12
- Locus of control 13
- Sex-role orientation 16
- Sex-role as a personality characteristics in manager 19
- Objectives of the research 21
- Research questions and Hypothesis 21

Chapter 2 – THEORIES AND REVIEW OF LITERATURE

- Theories of Personality 24
- Theories of Sex-typing and sex-role development 33
- Origins and development of I – E orientation 38
- Review of Literature – Personality 41
- Review of Literature – Sex-role orientation 51
- Review of Literature – Locus of Control 54
- Review of Literature – Sexual Orientation and Locus Control 57
- Concluding Remarks 58
Chapter 3  RESEARCH METHODOLOGY

- Design 60
- Variable 60
- Sample 62
- The instruments used 65
  a. 16 P.F. Test 65
  b. Sex-role inventory 75
  c. Loco inventory 81
- Data Collection 85
- Statistical Analysis 86

Chapter 4  RESULTS & DISCUSSIONS

Results
- Results of 16 P.F. Test 89
- Results of Loco Inventory 104
- Results of BSRI 112

Discussions
- Discussion of 16 P.F. Test 168
- Discussion of Loco Inventory 185
- Discussion of BSRI 188
- Broader Conclusions 193
- How this research will lead to advancement 204
- Limitations of the Study 208
