I want to thank Prof. S.R. Dave, Head, Dept. of Microbiology, Gujarat University, Ahmedabad for his kind cooperation and encouragement.

I extend my special thanks to Dr. B. Singh, Senior Scientist, Regional Centre of Central Leather Research Institute (CLRI), Ahmedabad for his technical help in studying application of enzyme for soaking and tanning processes in leather industry.

I thankfully acknowledge Prof. Ann. K. Khoja and Mr. Pranav Patel, Dept. of Textile Processing, Sarvajanik College of Engineering and Technology, Surat for their technical help in studying application of enzyme for degumming of silk.

Thanks are due to honourable Director, ATIRA, Ahmedabad and Dr. S. Rahman, Dept. of Chemistry, ATIRA, Ahmedabad for their kind permission and technical help in studying application of enzyme in denim washing.

Thanks are due to honourable Director, NDDB, Anand as well as Dr. R.K. Patel and Dr. P.N. Mukhopadhyaya, for their kind permission and technical help in studying application of enzyme in cytogenetics as well as in molecular characterization of enzyme.

I thankfully acknowledge Principal, College of Veterinary Science and Animal Husbandry, Gujarat Agricultural University, Anand as well as Dr. J.V. Solanki and Dr. C.G. Joshi and Dr. Rank, Dept. of Animal Genetics and Breeding for their kind permission and technical help in studying application of enzyme for genomic DNA extraction from bacterial cells.

I heartily wish to thank Shri R.B. Patel, Managing Director, Raymond Gelatin Ltd., Vasad as well as Shri Kintbhai Kansara, Quality Control Manager for their kind permission and technical help in studying the application of enzyme in gelatin extraction.

I am also thankful to Director, Sophisticated Instrumentation Center for Applied Research and Testing (SICART), Vidyamagar for technical help.

I am grateful to Dr. C.M. Upadhyay, Enzyme Technology Department, Sarabhai Research Centre, Baroda for his useful suggestions.

I thankfully acknowledge Director, Institute of Microbial Technology, Chandigarh for the confirmation in identification of bacterial culture.
I express my heartfelt gratitude to Mr. Dilshabhai Acharya, Librarian, Alembic chemical works Baroda, Mr. B.M. Baraya, Librarian, Arts, Science and R.A. Patel Commerce college, Bhadran; Mr. M.B. Shah, Librarian, Sheth P.T. Arts and Science college, Godhra; as well as Librarian, Sarabhai Research Centre Library, Baroda for providing Library facilities for literature survey.

I sincerely thank my senior research colleagues Dr. M.D. Shukla and Miss P.V. Dharami for their constructive suggestions throughout my work.

I am also thankful to my colleagues Mr. M.P. Gor, Mr. A.H. Patel, Mr. S.Y. Kharadi, Mr. R.M. Vaghela, Mr. M.P. Shah, for their help and suggestions throughout my research work.

I want to thank Miss Belaben Patel, Mrs. Jayaben Vaidya, Mr. Anant Patel and Mr. Vikram Rabari, Mr. Narsing Vaghela, for their help in my research work.

It will be ungrateful if I forget to thank Mr. Nishant Patel, Mr. Hamendra Patel (Shree Computer, Umreth - 388 220), Mr. Rakesh Patel, Mr. Dipen Patel (Bhadra Studio, Bhadran), Mazhar M. Kansara (Kansara Trading Corporation, Ahmedabad-Binder) for their unforgettable help at each step of preparing the thesis.

I am grateful to my parents and my brothers Mr. Pravin Mistry, Mr. Mahesh Mistry, Mr. Ajay Mistry, and my brother-in-laws Mr. Pravin Kaviya, Mr. Harshad Kaviya, Mr. Yogesh Kaviya, Deepu Kaviya, Mr. Ghanshyam Siddhpura, and other family members for their encouragement.

I am also highly thankful to my wife Nisha and my son Deep for patience, encouragement and unseen help.

I thankfully remember all well wishers who have helped me directly or indirectly during my research tenure.

Miteshkumar S. Mistry
