Acknowledgements

A thesis such as this is seldom the result of an individual’s effort. Many persons have helped me and this acknowledgement is but a small gesture and gratitude to all of them. Let me at the outset express my thanks to my respected teachers, dear family members, friends and well wishers who have rendered valuable advice cooperation, help and guidance for completing my research and thesis works.

I deem it a rare privilege and source of pleasure in expressing my profound and cordial gratitude to my respected and revered Research Supervisor Prof. (Dr.) A. P. Thomas, for his scholarly guidance, advice, keen interest, tireless and tolerant efforts which alone inspired me and encouraged me to continue and complete my research work successfully.

I place on record my deep sense of gratitude to the support and encouragement given by Dr. C. T. Aravindakumar, Professor and Director, School of Environmental Sciences (SES), Mahatma Gandhi University. I owe my most sincere gratitude to Dr. E. V. Ramasamy, Associate Professor and former Director, School of Environmental Sciences, Mahatma Gandhi University, Kottayam for giving necessary facilities, support and valuable encouragement throughout. I am grateful to Dr. Mahesh Mohan and Dr. Sylas V. P., Assistant Professors of SES, Mahatma Gandhi University for their support and inspiration.

It is a unique opportunity to express my heartfelt reverence and gratefulness to Dr. Lalitha Vijayan, Senior Principal Scientists (Rtd.), Salim Ali Centre for Ornithology and Natural History, Coimbatore, Tamil Nadu, for her assistance, support and inspiration throughout the research work.

I would like to express my gratitude to Dr. Christopher G., Dr. Usha K. and Mr. Aravind P., Advanced Centre of Environmental Studies and Sustainable Development, Mahatma Gandhi University, Kottayam for their immense support.

I have no word to express my sincere thanks to Dr. P. S. Gopakumar, Head, Department of Zoology, NSS Hindu College, Changanacherry, Kottayam for his valuable suggestions and encouragements during the various phases of the present study.

I convey my heartfelt gratitude to Dr. John C. Mathew, Dr. Harsha H.T. and Mrs. Anuthara R., School of Environmental Sciences and Dr. B. Ajay Kumar, Mining and Geology Department Govt. of Kerala, for their suggestions and interest.
I acknowledge with joy for the contributions of Mr. Toms Augustine, Mr. Babu Padmakumar, Mr. Arun Sasi, Mr. Abdul Skukkur, Mr. Srikanth N. P., Mr. Shylesh Chandran M.S., Mr. Sreedharan K., Mr. S. Sathrumithra and Mr. Dinu Kuriakose of SES for their keen involvement and consistent encouragement bestowed upon me during the period of fieldwork and thesis preparation.

My seniors and friends at SES, especially, Miss. Ranjini J. (SACON), Dr. Shijo Joseph, Dr. Anitha K., Dr. Joby Paul (ATREE), Dr. Koshy P.M., Dr. Abhirosh Chandran, Dr. Brillaint Rajan, Mrs. Bincy, Mr. Ignatius Antony, Mrs. Shanthi Prabha V., Mr. Rinoy Varghese, Mr. Rakesh P.
