ACKNOWLEDGEMENTS

I wish to express my deep sense of special gratitude to my guide Dr. (Mrs.) Anjana P. Desai, Professor and Head, Department of Geography, Gujarat University, whose advise and constant esteemed guidance helped me a lot and enlightened me on various matters during my study and research and led to successful completion of my Ph.D.

My sincere thanks and grateful acknowledgements are also due to officials of the following departments and organizations for the help so generously given during the collection of data and information, technical supports for satellite data, collateral data and their interpretation both manual and digital analysis techniques for the research work. They are: Space Applications Centre (ISRO), Ahmedabad Urban Development Authority, Ahmedabad Municipal Corporation, Town Planning and Valuation Department, Mumbai Metropolitan Region Development Authority and the Directorate of Census.

I am highly indebted to Dr. A.K.S. Gopalan, Director, Space Applications Centre (SAC), ISRO and Dr. R.R. Navalgund, Former Deputy Director, Remote Sensing Applications Area, SAC and currently Director, National Remote Sensing Agency, Department of Space, for granting permission for the research study, allowing me to use existing computer facilities for the data analysis and for their constant source of encouragement. I also express my sincere thanks to Dr. Ajai, Group Director, Forestry Land use and Photogrammetry Group for the support during the study.

I express my sincere thanks to my colleagues S/Shri R.J.Bhandari and A.S. Arya of Space Applications Centre for their assistance in one form or other in my work.

There are a number of individuals who have helped me in various aspects of my research study starting from acquisition of satellite data to the generation of final cartographic outputs. It would be difficult to name all of them, lest I omit someone.

Last but not the least, I am deeply thankful to my parents and my family for inspiring and offering moral support to me in the successful completion of my study.

Date: January 04, 2002. Subhan K. Pathan.
