ACKNOWLEDGEMENT

I am greatly indebted to Dr. P.C. Mehta, Director, Ahmedabad Textile Industry's Research Association (ATIRA), for his keen interest and guidance during the course of these investigations. I wish to place on record my most sincere gratitude to Dr. S.R. Sivaraja Iyer, Head, Physical Chemistry Group, Chemistry & Chemical Technology Division, ATIRA, whose encouragement, unstinted advice and long hours of discussions have been invaluable in these investigations.

I am also grateful to Dr. G. Srinivasan, Hindusthan Lever Limited, Bombay, for his many helpful discussions.

Support from ATIRA and the United States Department of Agriculture through the award of a Research Fellowship under P.L.480, is gratefully acknowledged.

Finally, I must praise the untiring and conscientious typing work of Mr. M.O. Anglay.
