ACKNOWLEDGEMENTS

I am very grateful to Dr. H.C. Srivastava, Head, Chemistry Division, Ahmedabad Textile Industry's Research Association (ATIRA) for his keen interest and active guidance during the course of these investigations. I wish to place on record my most sincere gratitude to Dr. N.T. Baddi, whose encouragement, unstinted advice and long hours of discussion have been invaluable in these investigations.

I am deeply indebted to Dr. P.C. Mehta, Director, ATIRA, for permitting me to carry out this work in ATIRA.

I am very thankful to Mr. A.K. Kulshreshtha, Senior Scientific Officer, Physics Division, ATIRA, for his active interest and many helpful suggestions. My grateful thanks are also due to Dr. K.F. Patel for his kind help throughout the period of this work.

I wish to express my gratitude to all my colleagues especially Messrs M.M. Patel, I.M. Trivedi, S.B. Patel, K.J. Dalal, R.S. Patel and Dr. G.L. Madan for their kind help and co-operation.

Award of a Research Fellowship from the International Institute for Cotton is gratefully acknowledged.
