ACKNOWLEDGEMENTS

It is with deep sense of reverence that I wish to express my heartfelt gratefulness to my teacher-guide Prof. G.C. Bhavsar, former Head, Department of Pharmacognosy, L.M. College of Pharmacy, Ahmedabad for his erudite guidance, informative and critical discussions and constant encouragement which have enabled me to take up and complete this study.

I am thankful to Prof. C.J. Shishoo, Principal, L.M. College of Pharmacy, Ahmedabad and to the authorities of Gujarat Ayurved University, Jamnagar for providing necessary facilities to undertake this study.

I wish to thank Prof. M.S. Shastry and Prof. H.S. Sharma, former Deans, I.P.G.T. & R. and Prof. Gurdip Singh, Dean, I.P.G.T. & R., Gujarat Ayurved University, Jamnagar for their encouragement.

I sincerely wish to acknowledge the invaluable help extended by my friend and colleague Shri B. Ravishankar at all stages of the present work especially for the pharmacological work described in this thesis.

I wish to take this opportunity to sincerely thank my colleagues Shri B.G. Chaudhari, Ms. K.K. Dave, Shri V.J. Shukla, Shri Y.R. Vachharajani, Dr. H.G. Makwana and Shri A.P.G. Pillai for their invaluable help during the course of this work.

I wish to express my sincere and grateful thanks to Dr. Jagdev Singh, Scientist, Regional Research Laboratory, Jamnui and Dr. Shibabrata Mukhopadhyay, Scientist, Indian Institute of Chemical Biology, Jadavpur, Calcutta for their help in interpretation of spectral data and characterisation of isolated compounds.

I am thankful to the Director, I.I.C.B., Calcutta, Dr. D.K. Mukherjee, Scientist, R.S.I.C., Bose Institute, Calcutta, Dr. D.K. Kulshreshtha, Assistant Director, C.D.R.I., Lucknow and my friend Dr. Arup Mukherjee, Reader, Department of Chemical Technology, Calcutta University, Calcutta for spectral analysis of the samples.

The cooperation and help received from Shri D.B. Khant, Shri H.M. Doshi, Mrs. P.H. Barad and from the staff members of pharmacology laboratory, I.P.G.T. & R. deserve a special mention.

I wish to acknowledge with thanks the help received from Prof. (Mrs.) M.G. Chauhan, Dr. K. Pundarikakshudu, Shri K.N. Patel, Ms. S.M. Jain and Ms. Chhaya Godse.

I sincerely feel that all the credit should go to my beloved parents, brother and sisters who are always a source of strength and inspiration to me and sincerely aspired to see me pursue higher education.

I acknowledge with gratitude the help and support I received from my wife, Varsha, who not only kept me free from domestic responsibilities during the course of this study but also helped me in the preparation of manuscript.
Special thanks are due to Shri B.B. Joshi, Photoartist for his help in photomicrography.

I am thankful to Ms. Mamta Adalja for computer data feeding and photocomposition of the material and to M/s. Mudra Graphics, Rajkot for laser printing.

The secretarial assistance received from Shri M.N. Bhatti is thankfully acknowledged.

During the course of this study I have received help and encouragement from number of friends and well wishers. I express my sincere thanks to all of them.
