TO
MY
BROTHER
help and cooperation.

I am delighted to acknowledge Dr. D. Chenna Reddy, Institute for Plasma Research, Gandhinagar, who helped me in computational work.

The assistance of Dr. Girish H. Shah, Gynaecologist, Dr. G. J. Banker, Pediatrician, Dr. Nikelish H. Shah, Gynaecologist, Dr. Ajay J. Patel, Radiologist, Dr. Anil C. Chadha, Plastic Surgeon, Dr. M. P. Bhatt, University Health Centre for various critical examinations and their invaluable suggestions is gratefully acknowledged.

My friends Himanshu C. Vyas, B. R. M. Vyas, Vivek N. Upasani, Dhruv N. Almaula are worthy of encomium for being with me in my hard time.

Thanks are also due to for Mr. Sourabhan, for neatly typing the thesis.

I am thankful to my parents and lovingones for their perfect hearts without which I would not have reached this far.

Financial support by University Grants Commission, New Delhi under DRS and DSA programme is gratefully acknowledged.

U. RADHA KRISHNA
