ACKNOWLEDGEMENT

It is with deep feeling and immense pleasure that I express my heartfelt gratitude and appreciation to my esteemed guide and mentor Dr. U.M. Rawal, Reader in Zoology, whose understanding, patience and excellent guidance has been a constant source of inspiration in my research work.

I am grateful to Dr. V.C. Shah, Professor and Head of the Department of Zoology, Director, School of Sciences, Gujarat University for granting me the laboratory facilities.

I also express my appreciation to Dr. N.J. Chinoy, Professor of Zoology, for her encouragement and help in various ways. I thank other members of the staff viz., Dr. S.K. Murthy, Dr. M.V. Rao and Dr. D.S. Krishnamurthy for their invaluable help.

The professional assistance of Dr. B.M. Khamar of M. and J. Institute of Ophthalmology, Civil Hospital, Ahmedabad, in documentation of cataracts, is gratefully remembered. The expert assistance of Shri Somabhai Dholakia and Prashant Dholakia in photography is duly acknowledged.
Sincerely, I acknowledge the willing co-operation of my colleagues Dr. N.K. Jain, Dr. Issac Thomas, Dr. Mary Cherian, Savita Yadav, N. Fitter and P.K. Alexander. In a special way, I thank Dr. Mary Cherian for her enthusiastic help and constructive criticism at various phases of my thesis work.

I cannot sufficiently express my appreciation to my friends, Shaji P.K., Thomas George, Mrs. and Mr. Ramesh Kumar, G. Satyanarayana, L. Pushpalatha, Patel Pramod Kumar and Pradeep P.K. for their constant assurance. I also thank Dr. Ketki Derasari, Miriam Satyanathan, Leena Allendry and Hyacinth Highland for their help in several ways.

The Junior and Senior Research Fellowships granted by the Department of Science and Technology (Govt. of India), is gratefully acknowledged.

I cannot forget to thank my teacher, Prof. N. Gopinathan Nair, Pallipurath, Changanacherry, for his valuable advice, which has helped immensely in moulding my career.

for their technical help in the word processing of this thesis.

Last but not least, I express my profound gratitude to my Daddy, Mummy and my brother, Lalu-Buoy for all the care, encouragement and moral support which has been the major impetus in my research.

To all these people and others, whose names I may have omitted, I am forever indebted for their efforts on my behalf.

LINZ-BUOY GEORGE.
