First and foremost, praises and thanks to the God, the Almighty, for His showers of blessings throughout my research work to complete the research successfully.

It is a great pleasure to express my gratitude and appreciation towards the people who have in many ways assisted me to reach this stage. I express my deepest gratitude and immense pleasure to my research supervisors Dr. M.K.Thakor sir. I am very much grateful for their constant guidance, invaluable suggestions and motivation towards my goal. Their advice on both research as well as on my career have been priceless. Their humorous and cheerful discussions made me to forget tiredness and also unpleasant situations. I am fortunate and proud to be part of their group.

I also owe to, form the deepest corner of heart, deepest sense of gratitude and indebtedness to Dr. D.R. Patel principal of Municipal Arts & Urban Bank Science College, Mehsana, as I have been constantly benefited with him lofty research methodology and the motivation as well as him highly punctual, affectionate. I will never forget teaching and not teaching staff of Municipal Arts & Urban Bank Science College, Mehsana, for their constant inspiration with keep interest and ever vigilant guidance without them this task could not have been achieved. Big thanks to them for providing laboratory support.

Thank to my best friends in the Dr. M. K. Thakor research group like Manoj Prajapati, Sanjay Prajapati and my all research colleagues for their support which lighten my day. Their humorous and cheerful discussions made me to forget tiredness and also unpleasant situations.

I would like thanks to all my Teachers, Lecturers and Professors of School, College and University respectively for their teachings and inspiration and guidance for my career.
I also remember well wishers and all those persons who helped me directly or indirectly during my Ph.D.

Last, but not least, I would like to dedicate this thesis to my Parents, my wife Mrs. Hetal Rathavi and son vansh, for their love, patience, and understanding—they allowed me to spend most of the time on my career.
