The last but not the least my Family has been a constant source of encouragement and inspiration. On several occasions I had to carry on my work even at the cost of my social life. I thank profusely my parents, my sisters, my in-laws especially to my mother in-law who have been understanding and have happily tolerated my neglect of social life.

I am especially thankful to my husband, Mr. Naman Shah and my sister, Ms. Reha Shah for sharing their knowledge and being helpful to me during my whole research work.
