

Appendix D

Research Publications of D. C. Maheshwari

1. Maheshwari, D.C. and O.P. Saxena. 1977. Studies on leachates in relation to viability in Soybean. *Acta Bot. India*, 5 (Suppl.) : 26.
2. Saxena, O.P. and Maheshwari, D.C. 1978. Biochemical studies on leachates of viable and non-viable soyabean, ISPP Symp. Recent Advances in Plant Physiol in India, Ahmedabad, Jan. 1-2, 1978.
3. Saxena, O.P. and D.C. Maheshwari. 1978a. Biochemical aspects of viability in soybean. *J. Indian Bot. Soc.* 57 (Supp 1). XIV - 5 : 87.
4. Saxena, O.P. and D.C. Maheshwari. 1979. Influence of growth regulators on the seedling growth of ageing soybean seeds. *Botanical Progress* 2 : 80-83.
5. Saxena, O.P. and D.C. Maheshwari. 1980. Influence of growth hormones and accelerated ageing on growth and yield in soybean. *Proc. 19th Int. seed Test Ass. Congr.* Vienna: 1-15.
6. Saxena, O.P. and D.C. Maheshwari. 1980. Biochemical aspects of viability in soybean *Acta Botanica Indica* 8: 229-234.
7. Saxena, O.P. and Maheshwari, D.C. 1980b. Localization of metabolites and enzymes in viable and non-viable soybean seed. 7th Ann. Meeting, Society for Advancement of Botany, Dehradun, June 13-14, 1980.
