LIST OF DIAGRAMS

Diagram 1. A diagram showing annual variation in rainfall for selected stations of MAHAGUJARAT. .... .... .... .... .... .... 202 a
Diagram 2. A diagram showing the classification of irrigation waters on the basis of electrical conductivity and sodium percent. .... .... .... .... .... .... 119 a
Diagram 3. A diagram showing the concentration of irrigation waters in milli-equivalents per litre of cations as related to conductivity. .... .... ...... 145 a
Diagram 4. A diagram showing the concentration of irrigation waters in parts per million as related to electrical conductivity. .... .... .... .... .... 146 a
Diagram 5. A diagram showing the cation concentration of 1:5 extract of soils in milliequivalents per litre as related to electrical conductivity. .... .... 142 a
