Statement by author

This dissertation has been submitted in partial fulfilment of requirements for an advanced degree at Homi Bhabha National Institute (HBNI) and is deposited in the Library to be made available to borrowers under rules of the HBNI. Brief quotations from this dissertation are allowable without special permission, provided that accurate acknowledgement of source is made. Requests for permission for extended quotation from or reproduction of this manuscript in whole or in part may be granted by the Competent Authority of HBNI when in his or her judgment the proposed use of the material is in the interests of scholarship. In all other instances, however, permission must be obtained from the author.

Ajit G. Chande
Declaration

I declare that the thesis titled ‘Use of lentiviral vector for improved system of protein expression in mammalian cells’ is a record of the work carried out by me during the period September 2006 to August 2011 under the supervision of Dr. R. Mukhopadhyaya. This work is original and it has not been submitted earlier as a whole or in part for a degree, diploma, associateship or fellowship at this or any other institute or university.

Navi Mumbai,

April 2012.

Ajit G. Chande
