

ACKNOWLEDGEMENT

It gives me a great pleasure to express my sincere gratitude to my respected guide and research supervisor DR. P.L. SHARMA former Professor and Head, Department of Mathematics and Statistics, Dr. Hari Singh Gour Vishwavidyalaya, Saugar. It has been indeed my proud privilege to receive scintillating and methodical guidance. It was a pleasure doing research under his esteemed supervision. He has always been gracious, helpful and kind to devote time and supervise my work and extend all possible help inspite of his hectic and very busy routine. Having reached this juncture I can not find words to express my feelings.

I feel indebted to my respected brother Shri Yogendra Kumar Sahu who inspired and encouragement me to take up research work. This was followed by tremendous encouragement, moral support from SMT. PUSHPA SHARMA.

I am grateful to DR. S.S. RAJPUT who inspired me.

During the course of conducting my research work SARVA Shri S. Banach, L.B. Ciric, C. Dimminnie, B, Fisher, S. Gahler, K. Iseki, G. Jungck, M.S. Khan, S. Kasahara, R. Kannan, A. Meir and E. Keeder, M. Maiti and T.K. Pal, S. Park, B.E. Rhoades, J.Schauder, S.L. Singh, B. Schweizer, S.Z. Wang, C.C. Yeh, helped by availing their work and all the requisite material. I am therefore highly indebted to

their such generous contribution.

I am also very much grateful to my father in law Shri S.K. Sahu and my friends Shri Raj Kumar Jain, Abhikant Jain, Jagdeesh Prasad Kushwaha, Harishankar Sharma, Dr. Arvind Jain, Sanjay Yadav and special Rajesh Kumar Roosiya for their encouragement.

Specially, I am also very thankful to my wife Smt. Pushpa and my loving children Mili, Kiti and happy to help me in any way all time.

My special thanks to Mr. Denesh Kumar Heera, Diamond Typing Institute Garha Jabalpur for the excellent typing in such a short time.
