This research project would not have been possible without the support of many people. I would like to express my gratitude to my guide and supervisor Dr. Govind Shinde of Department of Management, BVIMSR, Navi Mumbai, who was abundantly helpful and provided me invaluable assistance, support and guidance from day one and throughout the duration of this research. Deepest gratitude is also due to my husband, Shri V.G. Ramesh Kumar, my son, Ajitesh Kumar and Dr. Abhiranjan Kumar, Ph.D. Coordinator, JJT University, Jhunjhunu (Raj.) without whose guidance, support and cooperation, this study would not have been possible. Special thanks to all my friends for sharing the literature, invaluable assistance and providing me valuable inputs for carrying out this research. I will be failing in my duty, if I do not mention the support and cooperation extended by the business schools based in Navi Mumbai by giving me permission for contacting their students for obtaining their responses by way of filling up the questionnaire. I would like to convey my gratitude to the students and the senior and middle level managers from the corporate, for having spared their valuable time in giving their objective and honest responses by way of filling up the questionnaire. Not forgetting my best friends and colleagues who were always there to support me.
