Jagdishprasad Jhabarmal Tibrewala University history from Rajasthan. The title of this news to the historic district Temples study this opportunity to present the debtor has received many yabaddala m. The first was Dr. Jagdishprasad Jhabarmal Tibrewala University in. acknowledges the head. I had the opportunity for the sansodhana able to complete my research yasasviriya management. And Dr. Kelaskara Rakhi when I entered the madama be encouraged. It is my duty to thank tyancyaprati. The term of the loan expressed to majhejavalal an are finished. The apu - or words to express my gratitude to them is harina. During the research - which at the time I notice a problem. I took the time to visit. Margadarsana to get them at the time - called premature. I understand that every time they ghevuna co-operation with the sahanabhu purvaka. Similarly, the research study, which was to take advantage of, the officers and staff of the Jagdishprasad Jhabarmal Tibrewala University related yurnivhasiti Rajasthan is also co-count. I started from the very earnestly and lovingly prakiraya logging in co-operation.

Jagdishprasad Jhabarmal Tibrewala University presented the opportunity for me to sleep by the I accept the responsibility. But the form to the right margadarsanaci needed. The main margadarsaka I mudhoji mahavidhalaya Dr. Sadashiv M. Gawade. As the head of the received. From beginning to plan for the selection, sansodhana necessarily for literature, discussion, certificates, and other books available to you in the bhasali margadarsana be given from time to time. Dr. Hon. The different research activities are ongoing pursuit of Gawade head. many But for the time my - from the time I was doing the right guidance. I always prasannatene summery book. Own and operate the phone and said it was margadarsana. This information only and the preranadari margadarsana prabandhakarya i could not be completed in time. This expression is only aupacarikata around
tyancyabadadala debt. I always enjoy meeting rahanyataca rnata of the gurum believe. Heart-felt respect to the expression towards them.

Since I started my research to give continuous support to increase the value of our work I.C.S. college Principal Dr. Sarang sir. The main research activities of the Department of History college and I came up co-operation count. And to cooperate in the ongoing my caukasi study was not asvasana. I am indebted to the tyabadadala.

when my research work in various libraries, daptarakhane Temple, expressed in margadarsana came up. It was equipped with a library of Rajasthan and Jagdishprasad Jhabarmal tibrewala Universityyurnivhasiti The Librarian and co-workers came in periodically. I'm grateful that tyancyabadadala. Kalina and Fort mumbari don yethaila equipped with both libraries, city staff members thank is my duty. Deccan in Pune, however vidhapithace Library, visit an 'information obtained. The staff of the authority concerned and helped me Valuable contribution. In addition to our library, as well as college kokanavibhagatila from time to time in various grathalaye I found out.
