ACKNOWLEDGEMENT

I wish to place on record my deep indebtedness to a large number of individuals and institutions for the help and cooperation they extended to me in the conduct of the present study. Special mention is made here to the key persons who contributed very much to the successful completion of this study.

Prof (Dr) V.N. Rajasekharan Pillai, Chairman, UGC, New Delhi, and my guide, was instrumental in detecting my mental blind spots and goading me on with such expertise that I no longer felt a stranger in an unknown terrain. I cannot therefore deny myself the pleasure of openly thanking my professor and guide. I sincerely thank him for the valuable suggestions, constructive criticism, and constant encouragement during the course of my work.

I wish to express my gratitude to Prof (Dr) P. K Radhakrishnan, Director, School of Chemical Sciences for the help and direction in completing this piece of work.

I like to thank Dr. P. Geetha, Reader, School of Letters, Kottayam, Dr. K. Santhosh Kumar, Scientist, RGCB, Thiruvananthapuram, Dr. Ebey. P. Koshy, Lecturer, St.Joseph's College, Moolamattom, Dr. Beena Mathew, Reader, School of Chemical Sciences, and Dr. K. Sreekumar, Reader, CUSAT, Cochin for the inspiration and help they extended to me for the completion of the study.

I am also indebted to Dr. K.M Sreedhar, Dr. M. Renil, Dr.Roice Michael, Dr. P. G. Sasikumar, Dr. George V. Thomas, Dr. C. Arunan, Dr. Jaya T. Varkey, Dr. Dessy. P. Koruthu, and the other fellow workers in the School of Chemical Sciences for their help and co-operation.
During the years of research, a number of libraries and renowned centres of scientific research have patiently aided me in completing the work. I wish to make a special mention of RGC, Thiruvananthapuram, I.I.T. Madras, I.I.T., Kharagpur, I.I.Sc. Bangalore, CUSAT, Cochin, Photochimii, CNRS, Clermont-Ferrand, University of Blaise Pascal, France, for making available to me the facilities at these centres. Similarly, the CSIR has been generous enough to grant me JRF which went a big way in helping me to complete my research.

Sincere thanks are due to all other members of the teaching and non teaching staff of School of Chemical Sciences for their wholehearted co-operation, help, and willing assistance.

I would like to express my gratitude to all the members of the family, who went out of way to give me constant encouragement that lay in their power without which this study would not have been possible.

I also express my sincere gratitude to my colleagues in the Department of Chemistry, Catholicate College, Pathanamthitta who directly or indirectly extended to me their helping hand.

I am thankful to Mr. Shibu K. V. and Mr. Unni, Minitek Computers for the pains they undertook to present this piece of work.

Above all, I express my gratitude to God almighty for the blessings showered on me throughout the course of this study.

Pathanamthitta, January 2006
