ACKNOWLEDGEMENT

It gives me profound pleasure to record my heartfelt gratitude to my esteemed teacher, Dr. K.C. Dave, M.D., F.C.A.I., M.A.M.S., Professor and Head, Department of Pharmacology, N.H.L. Municipal Medical College, Ahmedabad, under whose able supervision this research work has been executed. I am deeply indebted to him for his stimulating instructions, constructive and healthy criticism, intellectual inspiration and above all for the laborious work of going through the manuscript. It is, in fact, through his genial modesty most efficient guidance and constant encouragement that I have been able to complete this work.

I take this opportunity to express my gratitude to my respected teacher Dr. (Mrs.) S.M. Mansuri, M.D., Professor and Head, Department of Pharmacology, B.J. Medical College, Ahmedabad, for generously providing the needed research facilities and for her interest and encouragement during the progress of this work.

I express my sincere thanks to my friend and mentor, Dr. R.K. Goyal, M.Sc. (Medical), Ph.D., Associate Professor of Pharmacology, L.M. College of Pharmacy, Ahmedabad, for valuable assistance concerning the manuscript and consistent interest and encouragement throughout the course of this study.
I am highly indebted to Dr. (Mrs.) Z.K. Dastur, for valuable assistance and suggestions in this work.

I will fail in my duty if I do not thank late Dr. K.S. Sachdev, M.D., Professor and Head of Pharmacology Department, M.P. Shah Medical College, Jamnagar, as he was a great source of inspiration to me in the field of Pharmacology research.

Thanks are due to the staff and colleagues of the Department of Pharmacology, B.J. Medical College, Ahmedabad and N.H.L. Municipal Medical College, Ahmedabad for their co-operation and valuable suggestions.

I am also thankful to Dr. H.S. Shah, M.D., Dean, N.H.L. Municipal Medical College, Ahmedabad and Dr. C.A. Desai, M.D., Dean, B.J. Medical College, Ahmedabad for providing all the facilities to carry out this research work.

I thank Mr. B.C. Patel, B.Com., L.M. College of Pharmacy for having typed the entire thesis.

I wish to acknowledge the gift of several drugs used in this work from various companies, particularly Smith, Kline and French Laboratories, Philadelphia, U.S.A. and M/s. Jansson Pharmaceuticals.
