LIST OF TABLES

Table 1: Paper chromatogram of sugar components of the butterfly, *Pieris brassicae* and the moth, *Philosamia ricini*. 27

Table 2: Paper chromatogram of some standard sugar components 27

Table 3: Paper electrophoretic movement patterns of the crude mucopolysaccharides from the eyes of butterfly, *Pieris brassicae* and moth, *Philosamia ricini*. 28

Table 4: Paper electrophoretic movement patterns of the crude mucopolysaccharides from the eyes of butterfly, *Pieris brassicae* and moth, *Philosamia ricini*. 28

Table 5: Paper chromatographic detection of pteridine and pterines in the butterfly, *Pieris brassicae* and the moth, *Philosamia ricini*. 69

Table 6: Paper chromatographic detection of some standard fluorescent compounds 69
