ACKNOWLEDGEMENTS

At the outset, I wish to express my profound gratitude and
indebtedness to Professor G. Salbaba, my Research Supervisor for
his continuous encouragement and able guidance which enabled me
to complete this research work.

I am extremely thankful to Shri K. Seshagiri Rao, Deputy
Director and Head of the Department of Economics Research
Division, Central Leather Research Institute, Madras for his
advice and valuable suggestions at different stages of this
study.

I am much beholden to Dr. D. L. Narayana, Retired Professor of
Economics, S.V. University and Dr. E. Munirathnam Naidu, Professor
and Head of the Department of Economics, S.V. University, Tirupati
for their constructive suggestions and encouragement in
the finalisation of this thesis.

I sincerely record my heartfelt thanks to my colleagues in
the Economics Research Division of the Central Leather Research
Institute, viz. Shri C. Pulinda Rao, K. Sarjuna Rao
Dr. A. Subbarama Naidu, D. Chandramouli, J. S. L. Vasudevan
Dr. R. Rajendran, K. Giripappa and Mrs. Jothi for their immense
cooperation and assistance in comparing the draft.

My thanks are due to Mr. A. Devabalan, Footwear Technologist
S/Shri K. Parthasarathy and V. Rathinamamy, Leather Technologists
C.L.R.I., for their valuable help in the course of this
research work. I am highly grateful to Dr. P. G. Rao, Assistant
Director and Shri B. Ramabrahmam, Scientist of Chemical Engineering
Department, CLRI, for assisting me in the preparation of Flow
Charts and Pie Diagrams.
I gratefully acknowledge with thanks the help of Dr. V. Jayasimhulu Naidu, Sri O. Munirathnam Naidu, Dr. K. Narasimhulu, Dr. C. Devarajulu Naidu, and other Faculty Members of the Economics Department, S.V. University, Sr. T. Rangaswamy, Lecturer, S.V. Arts college and Mrs. K. V. Vijayalakshmi, Assistant Librarian, Padmavathi Mahila University for their cooperation and help during the course of this study.

I wish to thank S/Shri V. Palani, Development Office (Leather), K.V.I.C., Athani, Sri Alagarsamy and the staff of Charmalaya, Athani, Sri Kamle and his colleagues in LIDKA office, Athani for providing necessary information. I am also thankful to Sri H.S. Yadav, Sri Kuril of Bharateeya Charmodyo Sangh, Agra, Sri M. Mufteez, the wholesale dealer, Hing-ki-Mandi Market, Agra, Mohammad Ansar, Footwear Entrepreneur, Nai-ki Mandi, Agra and all other respondents contacted during my field survey in the three centres of Agra, Athani and Madras for sparing their valuable time in responding to my questionnaire.

I am extremely thankful to Mr. Peter Knorringa, Dr. I. S. P. Baud and Prof. G. A. de Bruijne, researchers of the University of Amsterdam for their constructive comments.

I take this opportunity to express my deep sense of gratitude to Dr. G. Thyagarajan, Director, Central Leather Research Institute, Madras for evincing keen interest in this work and according permission to carry out this work.

I am grateful to Dr. K. V. Raghavan, Deputy Director, Central Leather Research Institute, Madras for his constant encouragement.
I wish to acknowledge the arduous work put in by my friend Sri G. Sampath, Senior Stenographer for his secretarial assistance in the preparation of this thesis.

Last, but not the least, I have no words to express my gratitude to my parents and wife Ms. Rajeswari, for their constant inspiration and sacrifice during my research work.

Date: 14-11-75
