ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to Dr. V. T. Oza, M. Sc.; Ph. D., then Principal, M.N. College, Visnagar and also professor in charge of post-graduate studies in Inorganic Chemistry at the M.N. College, Visnagar (North Gujarat) for initiating me into research and for his valuable guidance, encouragement and kind facilities throughout the progress of the present work, particularly for the critical examination of the experimental results and for very valuable help in interpreting them. My thanks are also due to Shri Dr. J. N. Shukla, Principal, M.N. College, Visnagar for giving me kind facility to complete my work even after the transfer of Shri Dr. V. T. Oza at Government Science College, Gandhinagar.

(P. N. Mehta)
