ACKNOWLEDGMENT

While doing this study I received guidance, encouragement and help not only from my colleagues at Sardar Patel Institute of Economic and Social Research, Ahmedabad but also from the officials of the various departments of Govt. of Gujarat.

Prof. Rohit Shukla of the Institute has been the tower of strength throughout the duration of study. He took lot of pains in conceptualising many issues related with the developmental aspects of state of Gujarat. It is only because of his constant, consistent encouragement and guidance that this work has come in its present shape. I shall always remain grateful to him.

Prof. R.J. Mody, Director of the Institute, provided all infrastructural support during the course of the study. Dr.Rohit Desai, Prof. S.P. Kashyap, Dr.Pravin G. Pathak and Mr.K.M. Parekh took keen interest in my work and provided useful discussions and suggestions at the various stages of the study.

I am also thankful to Prof. Ravindra H. Dholakia, Indian Institute of Management, Ahmedabad, Dr.Sudarshan Iyengar, Gujarat Institute of Development Research, Gota, Ahmedabad, Dr.Archana R. Dholakia, University School of Social Science, Ahmedabad, Mr. R.S. Chhaya, Director of Census Operation, Gujarat Mr. V.B.Savdasia, Director, Directorate of Economic and Statistics Government of Gujarat and the Officials Directorate of Agriculture for providing relevant information for the study.

My thanks are due to Mr. Y.V Pantulu for providing programming guidance for data process in time. Mrs. Ila K. Shah provided help in data compilation and tabulation and Mrs. N.K. Patel rendered help in computer work.

I am also thankful to Mr. A.A. Pathan for typing the manuscript. Mr. K.P. Satheesan provided useful help in taking computer print out of number of drafts for the thesis. Mr. J.P. Brahmbhatt provided help for preparing various maps. Thanks are also due to library staff and administrative staff of the Institute.

Last but not the least I am also thankful to my wife Mrudula, Son Rajiv and daughter Nipa for providing encouragement through the duration of the study.
