ACKNOWLEDGEMENT

To achieve something is a moment of pride and joy. But whatsoever is the achievement, it has to pass through varied phases. And those phases are knitted by the conscious or unconscious contribution of different persons.

I express my sincere gratitude to revered Prof. H.B. Dave for his encouraging, dynamic and fruitful guidance during this research. His keen interest throughout the period of investigation proved to be a great help to me.

I am also grateful to Dr. H.M. Desai for providing me the college facilities to do the research activities and his encouraging words guided me to follow my goal with relative ease.

I am extremely thankful to Mr. A.R. Charania, Mr. C.K. Bhensdadia, Mr. B.P. Luhar and Prof. J.J Barve who helped me in literature survey.

My thanks are also due to Mr. Vinubhai Patel, Prof. S.M. Jain, Prof. D.G. Panchal, Dr. Z.V.P. Murthy, Prof. T.R. Shah, Mr. V. I. Makwana, Mr. J. T. Lalchandani, Mr. P.H. Dave, Mr. J.J. Shah, Mr. S.M. Shah, Mr. A.B. Shah, Mr. B.R. Patel, Mr. M.R. Desai, Mr. M. C. Shah, Mr. Milan Patel, and Mr. B.N. Dalal for their kind cooperation during the course of the research.

My special thanks goes to the students of Computer Engineering department and all those volunteers who helped me to collect data samples and convert them into image files. Special thanks are due to Mr. Krishnakant Patel and Mr. Satyen Patel.
I am also thankful to the library staff of Space Application Center (Ahmedabad), Physical Research Laboratory (Ahmedabad), Indian Institute of Technology (Bombay), Indian Institute of Science (Bangalore) and D.D. Institute of Technology (Nadiad).

Last but not the least, my heart is filled with affectionate gratitude to the members of my family for their patience, inspiration and moral support throughout the project.
