ACKNOWLEDGEMENT

With deep sense of gratitude, I wish to thank my esteemed guides and mentors, Dr. K.P. Soni, M.Sc., Ph.D., Reader in Chemistry, Gujarat University, and Dr. M.B. Devani, M.Pharm., D.Sc. (Munich), LL.B., Professor of Pharmaceutical Chemistry, L.M. College of Pharmacy, under whose guidance and supervision the work presented in this thesis was carried out. The presentation of this work and writing of this thesis has influenced significantly by the constructive critiques and suggestions provided by them.

I wish to thank Dr. C.J. Shishoo, B.Pharm., M.S. (Iowa), Ph.D., Principal and Head of the Department of Pharmaceutical Chemistry, L.M. College of Pharmacy, for constructive guidance and for providing me the facilities to carry out this work.

I am grateful to Dr. S.A. Shah, M.Pharm., Ph.D., Associate Professor of Pharmaceutical Chemistry, A.R. College of Pharmacy, Vallabhbh Vidyanagar, for helpful discussions, constant encouragement, keen interest and most precious advice through out the course of this work.

I am grateful to Dr. U.S. Pathak, M.Sc.; Ph.D., Associate Professor of Pharmaceutical Chemistry, for his valuable suggestions.
I am indebted to Dr. M.R. Patel, M.Pharm., Ph.D., Director, Cadila Laboratories, Ahmedabad, for providing chemicals and analytical facilities for this work.

I shall fail in my duty, if I do not mention my indeptness to my seniors Dr. B.M. Trivedi, M.Pharm.,Ph.D. (Prague), Ex-Principal, G.M. Chauhan, M.Pharm., Professor and Head of the Pharmaceutics and Pharmaceutical Technology and Dr. M.C. Gohel, M.Pharm.,Ph.D., Associate Professor in Pharmaceutics and Pharmaceutical Technology, for their constant help, encouragement and advice.

In preparing this thesis, I was fortunate to have the assistance of my colleagues, Dr. B.N. Suhagia and Mr.I.S.Rathod. I thank them for their useful suggestions.

I am thankful to Mr. B.C. Patel, for typing this thesis.
I would like to cite my beloved parents, and family members for constant encouragement, support and blessings. These pages could scarcely have been written without their help.

R.S. SHAH, M.Sc.
