Acknowledgements

I wish to express my sincere gratitude to...

My Supervisors; Dr. S. A. Shah, Professor & Head, Dept. of Quality Assurance, L. M. College of Pharmacy, Ahmedabad, for allowing me to opt project of my interest and for always aiming at research and papers of highest possible quality. I am also very thankful for your support, advices, discussions spiced with humour and especially for your tireless reviewing my written “outputs”. Mr. I. S. Rathod, Asst. Professor, Dept. of Quality Assurance, L. M. College of Pharmacy, for all support, advices and encouragement you have given me during these years. You were always present in both good days as well as the bad ones and you had always time for a little conversation to debate. I also express sincere thanks to both of you for your very friendly gesture and the faith shown in me.

Dr. M. C. Gohel, Principal, Professor & Head, Dept. of Pharmaceutics and Pharmaceutical Technology, L. M. College of Pharmacy, for providing essential infrastructure and your timely help during computational model development; Dr. B. N. Suhagia, Head & Professor, Department of Pharmaceutical chemistry, L. M. College of Pharmacy, who was always there to help me, as and when required right from my entry into the field of Pharmacy.

Dr. C. Dutt, Director; Dr. V. Chauthaiwale, Vice President, Drug Discovery and Dr. G. Subbaiah, General Manager, Analytical Development Laboratory, Torrent Research Centre, Gandhinagar, for providing good working facility and your help during the course of this work.

Dr. Appaji Mandhare and Mr. Davindar Tuli, Medicinal Drug Discovery, Torrent Research Centre, for making me understand different aspects of in silico modeling, providing essential computational values for different physicochemical descriptors and sparing your valuable time for fruitful discussions.
Library staff members (Sanjay, Ashwin, Bharat, Joshi) of L. M. College of Pharmacy, Ahmedabad and (Parul, Sunita) Torrent Research Centre, for your cooperation during the reference work.

Past and present members of the bioanalytical discovery group, Torrent Research Centre, Chetan, Rambabu, Sushil, Tejal, Deepak Modi, Arvind, Rahul, Bhavesh and Vaibhav for your support and contribution in my studies.

All past and present colleagues at the bioanalytical department, Torrent Research Centre, especially Deepak Jain, Jignesh, Hiten, Mohan, Nitesh, Sandeep, Hari for your support, for being such great friends and for all fun times.

Savale, Ragin, Daxesh, Manoj, Tushar, Ali, Gondaliya, Jogia for your inspiration to excel.

Shah family, especially Shah Madam and their daughters for affection and attachment throughout the course of my Ph. D.

Papa, mummy, Ilesh, Niti, Amit, Bharti and all Kotechas for your moral support, understanding and bearing with me throughout the course of my Ph. D. My grandmother “BA” for your blessings from haven. Grishma for your timely help during writing of thesis.

My father and mother-in-laws for always showing interest in what I do at work and for your prayers to God that help me professionally as well as academically.

Abhi, our tinny bundle of joy, who has opened a new world for us. Your happy face and words to God “mara daddy ne jaldi thi doctor banavo” kept me going!

Hetal, my life partner, for your endless support and encouragement during these years, for making me see new things in life and being great mother to Abhi!

Jignesh S. Kotecha
