ACKNOWLEDGEMENTS

It is with deep sense of regards that I wish to express my gratefulness to my revered teacher-guide Dr. G.C. Bhavsar, M. Pharm., Der. Rer. Nat., Head, Department of Pharmacognosy, whose erudite guidance, informative and critical discussions, constant encouragement and intense care have enabled me to complete the work.

My thanks are also due to Dr. (Miss) B.M. Trivedi, Principal, L.M. College of Pharmacy for the facilities provided to carry out the work. I am very much thankful to Dr. (Mrs.) M.G. Chauhan, Mr. K.N. Patel and other staff members of the department for their suggestions and co-operation in pursuing the work.

I wish to sincerely put on record my thanks to my colleague Mrs. Rojani Venkat Rao who had been very helpful at all stages of the present work.

It is because of the ready help, good wishes encouragement and inspiration of my beloved friends Dr. Apparao, Shri V.S. Badti and Dr. K.S. Sarma that I was able to give a shape to the work.

I thank Dr. B.K. Chokravarty for critically going through the manuscript and for his lively discussions, comments and valuable suggestions whenever needed. I am greatly indebted to Shri Romonbhai Patel and Dr. M.R. Patel of Cadila Laboratories for their kind co-operation and encouragement.
I feel it is my privilege and pleasure to acknowledge the friendly treatment and assistance of Mr. Anil Kumar Sharma, Mr. Subrata De, Mr. Ramesh Kumar, Mr. Ravi Kumar and Mr. Anil Kumar Gupta. I also thank Miss. A. Umamaheswari, Mrs. Aruna Apparao, Miss. Leena Shah, Miss. Aleyamma, Miss. Pinkesh, Miss. Rekha and Miss. H.K. Dhyani for their kind help in compiling the thesis.

Special thanks are due to Dr. A.C. Dhar and Dr. Mallayya who showed me the right direction to pursue research work.

Needless to say, all the credit should go to my beloved parents, brothers and sisters who are always a source of inspiration and sincerely aspired to see me pursue higher studies.

Shri Bhanoobhai C. Patel deserves my special thanks for typing the manuscript.

The financial assistance provided by the 'University Grants Commission' is gratefully acknowledged.
