ACKNOWLEDGEMENT

The author feels utmost pleasure in expressing his gratefulness to Dr. M.D. Badami under whose guidance this study took the present shape. His exemplary co-operative spirit and inspiring encouragement motivated the author to undertake this study.

He extends sincere thanks to the administrative authorities of various institutions like Remand Home Vikas Griha, Bhavnagar Jail, Sabarmati Jail, Bhimani Mental Health Center, Schools, Colleges and Friends who helped him in administering the B-scale.

I gratefully record my thanks to Psychiatrists Dr. V.D. Shah, Dr. Mahesh Chudgar, and Dr. Paresh Shah who helped me in many respects in completing the present study.

It is impossible to forget the willing co-operation of the Department of Psychology of my
college, the students and other well wishers who have helped me directly and indirectly. I am also thankful to Prof. Dineshchhai Kotbani, for correcting the language of U-Scale in Gujarati and Prof. Anun Varai for having helped me in my statistical work.

A special word of thanks to Prof. Tuchar Durani for going through the entire thesis and making necessary corrections from the view point of language.

I am thankful to Mr. Patel who handled the typing work and Rajenibhai Jani who helped me in duplicating and printing works.

To all those mentioned above and to my wife Nela Joshi, I owe a debt of gratitude.
