ACKNOWLEDGMENTS

I am indebted to Dr. Udai Pareek, Professor, organisational behaviour area, Indian Institute of Management, Ahmedabad, for his personal interest, able guidance and valuable suggestions, besides, encouragement and freedom given to me in the study and preparation of my thesis. I express my whole hearted gratitude to him.

My grateful thanks are to Dr. T. V. Rao, Chairman, Public systems group, I.I.M, Ahmedabad, for his critical suggestions and continuous encouragement.

I am thankful to Dr. E.G. Parameswaran, (former Director, Department of Applied Behavioural Sciences, SIET Institute, Hyderabad) Professor, Department of Psychology, Osmania University, Hyderabad, for his encouragement.

I express my thanks to Dr. I.G. Kannan, faculty member, ABS Department, SIET Institute, Hyderabad, for sparing time to go through the manuscript and for providing suitable suggestions.

I am thankful to Dr. N.T. Patel, Research Associate, Indian Institute of Management, Ahmedabad and Mr. N. Bapanna, Computer Centre, ASCI, Hyderabad for their assistance in the statistical analysis of data for the study.

I record my appreciation and thanks to my friends Mrs. Jaya Rao, Miss Hema Sree, Jayanth Lakshmi, Mrs Vimla Ben Patel and Miss Ranjan Patel for their endearing encouragement.

I will be failing in my duty if I do not mention my sense of gratitude to my husband, Shri O. Rajendra Prasad but for whose magnanimity, encouraging spirit, and continuous help it would not have been possible for carrying out this study.

I express my appreciation to all the respondents for their sympathetic participation by sparing their valuable time and also to the concerned Heads of Institutions for their cooperation.

My thanks are to Shri G.V. Subba Rao for his willing help in Type Writing the thesis.

P. VIJAYASREE.
