hereby certify that thesis entitled "EFFECTS OF CHANGED ENVIRONMENT ON PHYSIOLOGY AND ENDOCRINOLOGY OF THE FROG RANA CYANOPHLYCTIS", submitted for the award of the degree of DOCTOR OF PHILOSOPHY, Amravati University, embodies the results of bonafide research work carried out by Mr. P.S. PATIL, under my supervision. I further certify that such help or source of information as has been availed of in this connection is duly acknowledged and that no part of the thesis whatsoever has been submitted elsewhere for any degree. I find the work comprehensive and complete and is fit for the purpose of sending it to the examiners.
