ACKNOWLEDGEMENT

Salutations unto the Lotus Feet of Bhagwan Shri Ramakrishna Dev!!

I feel immense pleasure to express my heartfelt emotions to my guide and teacher Dr. Vikas Sinha (MS) Professor and Head Department of Otolaryngology BJ Medical College Ahmedabad. His constant cooperation, encouragement and guidance helped me to complete this research work in time and with great ease and excellence.

I am thankful to my friends from the Computer Science Department of SP University VV Nagar especially Professor and Head Darshan Choksi (MCA, PhD) and Prof. Priti Sajja (MCA, PhD). They provided the required insight, which is so essential to develop any computer-assisted diagnosis expert program.

My thanks are due to Prof. Dr. H. Bhalodiya (MS), Dean Faculty of Medicine Gujarat University and Prof. Dr. Anil Shah, Director Postgraduate studies and research B.J. Medical College for their valuable cooperation and needful.

I am happy to express my thanks to Dr. R. Vishwakarma, Dr. Neena H. Bhalodiya, Dr. Bela J. Prajpati, Dr. B.K. Kedia, Dr. Kalpesh Patel, Dr. Divang Gupta, and other faculties of ENT Department of BJ Medical College for their kind cooperation and friendly help. My special thanks are due to Dr. Shaun, Dr. Shashank and other PG students of ENT Department of BJ Medical College for their valuable support in conducting the evaluation of CADINO. I am also thankful to ENT surgeons of Anand-Kheda chapter of GSB AOI and patients who helped me in carrying out the evaluation study of CADINO.

I salute my late parents Mrs. Kalawati Devi Bansal and Mr. Ramchandra Bansal for their inspiration, love and affection. It is their blessings, which have always given me the moral support. I appreciate the help, patience, and understanding of my wife Sushma, son Mohit, daughter Tejal and daughter-in-law Astha, which are absolutely essential for the successful completion of a project of this magnitude. I acknowledge my staff members especially Miss Tejal Patel for their endearing services.

Lastly I would like to express feelings of gratitude to my MS (ENT) teachers especially Late Prof. P. Chatterji, Dr. N.K. Soni and Dr. J.P. Gupta of SP Medical College Bikaner, who taught me the art and science of otolaryngology and led me on the pathway of true scientific approach.
