ACKNOWLEDGEMENT

In the completion of this work, I have taken lot of obligations from many people. Among them first of all I express my gratitude to my former guide LATE PROF. G. V. S. N. MURTHY who initiated and encouraged me for taking up this problem. He had given deep insight in the subject. Unfortunately, his sudden demise was a big blow to me. Later PROF. B. B. JANI who kindly accepted me as his student for completing this work. I am highly thankful to PROF. B. B. JANI who constantly encouraged and guided me for this work. Without his inspiration and personal attention, this work could not have completed. Indeed, my obligation to him cannot be expressed in words.

I am also extremely thankful to Prof. R. J. Modi, Director, Sardar Patel Institute of Economic and Social Research (SPIESR), Ahmedabad for his guidance and personal care in completing the present work. Special thanks are given to Late Prof. D. T. Lakdawala, Prof. Y. K. Alagh, Prof. M. P. Bhatt, Prof. M. S. Trivedi, Dr. Pravin Visaria & Dr. Rohit Desai for their kind cooperation, help and guidance in completing the work.

I am highly indebted to Mrs. Sukumari Murthy, the wife of Late Prof. G.V.S.N. Murthy for providing me constant help in the complete technical aspect of the work. My obligation to her too cannot be expressed in words.

I have received immense help, cooperation and moral support from Prof. J. K. Rao and Prof. B. K. Oza of Bhavnagar University. I take this opportunity to express my gratitude to them. I am also thankful to Prof. V. P. Bhardwaj, Head, Dept. of Eco., Guj. Uni., Prof. S. P. Kashyap SPIESR, Ahmedabad, Prof. R. H. Dholakia, I.I.M., Ahmedabad, Dr. C. H. Thaker Dept. of Eco., Guj. Uni., Prof. B. B. Patel and Prof. S. S. Mehta, GLI, Ahmedabad.

I am also thankful to Shri Bhushan Rhatt and Shri Jayesh Kala-
thia, Computer Centre, Bhavnagar University, for helping me in computational work.

I have also received immense help from Dr. A.D. Saramma Dept. of Eco., Bhavnagar Uni. at various stages of this work. I am also thankful to her. I express my thanks to Prof. C. S. Shukla, M.J. College of commerce, Bhavnagar, Smt. Swati Dave, Shri Kanu Patolia, Dr. Rosh Akabor, Shri Dilip Parikh, and my friends and colleagues for their love and goodwill for me.

I acknowledge my thanks to ICSSR, New Delhi; SPIESR, Ahmedabad; GIAP Ahmedabad; IIM, Ahmedabad; OLL, Ahmedabad; Statistics Department, Hostel and Library of Gujarat University and Bhavnagar University for providing me assistance in collecting the material and other facilities.

I am especially highly indebted to my mother, without her blessings, this work would never have been completed. Last but not the least, I express my feelings to my wife Anita, and my kids Nirmit and Nirmita who stood by me to complete this work.

My special thanks are for Shri Mohini SPIESR, Ahmedabad, Shri Kirit Soni, KMS Computer Services & Consultancy, Bhavnagar, Shashank Vora, Vipul Joshi, and Nirjan Parmar, for rendering their help in typing out this thesis very carefully and accurately.
