| LIST OF FIGURES |
|-----------------|-----------------|
| **CHAPTER - I** |                 |
| I.1. Flow Chart for Agro Industry | 12 |
| **CHAPTER - II** |                 |
| II.1. Selection of District, Taluka and Village for Sample Village | 43 |
| **CHAPTER - III** |                 |
| III.1. Location of the Study Area (with sample village) | 54 |
| III.2. Physiographic Characteristics (with relief and drainage) | 56 |
| III.3. Contours of Water Table | 59 |
| III.4. Types of Soil | 61 |
| III.5. Rainy Days and Annual Rainfall- 1993 | 64 |
| **CHAPTER - IV** |                 |
| IV.1.a. Number of Registered Industries | 87 |
| IV.1.b. Number of Persons Employed in Industry | 87 |
| IV.2. a. Growth of Industries and Employment in Gujarat | 90 |
| IV.2. b. Growth of Industries and Employment in Saurashtra | 90 |
| IV.3.a. Location of ABI in First phase (before 1900 AD). | 93 |
| IV.3.b. Location of ABI in Second phase – 1900 – 1950 AD. | 93 |
| IV.4. a. Location of ABI in Third Phase Saurashtra (1970-71). | 96 |
IV.4.b. Location of ABI in Third Phase Saurashtra (1990-91) 96

IV.5. Size-Structure of Industries in Saurashtra 101

IV.6. Size-Structure of Employment in Saurashtra 103

IV.7.a Total Number of Industries in Saurashtra 109

IV.7.b Total Number of Employment in Saurashtra 109

IV.8.a. District wise Number of Industry 124

IV.8.b. District wise Number of Employment 124

IV.9.a. Location Quotation of ABI in Saurashtra 130

IV.9.b. Location Quotation of Employment in Saurashtra 130

CHAPTER – V

V.1.a. Percentage Change in Land use Pattern 1971 137

V.1.b. Percentage Change in Land use Pattern 1991 137

V.2. Percentage Change in Cropped Area 1971-91 139

V.3.a Percentage of Irrigated Land to Total Land 1971 140

V.3.b Percentage of Irrigated Land to Total Land 1991 140

V.4.a. Percentage of Culturable Waste Land to Total Land 1971 142

V.4.b. Percentage of Culturable Waste Land to Total Land 1991 142

V.5.a. Percentage of Area not Available for Cultivation to Total Land (1971) 143
V.5.b. Percentage of Area not Available for Cultivation to Total Land (1991)  
V.6. Change in Cropping Pattern (1971-91)  
V.7.a. Change in Occupational Structure (1971)  
V.7.b. Change in Occupational Structure (1991)  
V.9. Size of Urban Settlement in Saurashtra  
V.10.a. Percentage of Literacy Rate (1971)  
CHAPTER VI

VI.1. Population Density in Sample Villages 178

VI.2. Land use Pattern in Sample Villages of Saurashtra 181

(a) Unit – I Land use Pattern in Sample Villages (Cotton Region) 181

(b) Unit – II Land use Pattern in Sample Villages (Groundnut Region) 182

(c) Unit – III Land use Pattern in Sample Villages (Sugarcane Region) 183

VI.3. Land Holding Class in Sample Villages 186

VI.4.a. Occupational Structure of Developed Sample Villages 190

VI.4.b. Occupational Structure of Under Developed Sample Villages 190

VI.5.a. Literacy Level of Industrial Workers in Developed Sample Villages 196

VI.5.a. Literacy Level of Industrial Workers in Under Developed Sample Villages 196

VI.6.a. Impact of ABI on Agricultural Implements and Livestock in Sample Villages (Before ABI) 201

VI.6.b. Impact of ABI on Agricultural Implements and Livestock in Sample Villages (After ABI) 203

VI.7. Purchase of Raw Material by Entrepreneur in Sample Villages 207

VI.8. Employment Pattern in Sample Villages 209
VI.9.a. Marketing Pattern by Entrepreneur in Developed Sample Villages 212

VI.9.b. Marketing Pattern by Entrepreneur in Under Developed Sample Villages 212

CHAPTER VII

VII.1. Ground Water Utilization of Saurashtra Region (1997) 222

VII.2. Fertility Status (NPK) of Soil 225

VII.3. Agricultural Development Index (ADI) of Saurashtra 231

VII.4. a Population Potential Surface (1970 - 71) 233

VII.4.b Population Potential Surface (1990 - 91) 233

VII.5.a. Occupational Index (OI) 235

VII.5.b. Demographic Index (DI) 235

VII.6.a. Composite Functionality Index 240

VII.6.b. Development potentiality Index 240
