ACKNOWLEDGEMENT

I express my sincere thanks and gratitude to His Holiness Jagadguru Sri Jayendra Saraswati Swamiji and His Holiness Sri Sankara Vijayendra Saraswati Swamiji of the Kanchi Kamakoti Peetham for their blessings and guidance.

I express my sincere thanks and gratitude to The Chandrasekharendra Saraswati Viswa Maha Vidyalaya (Deemed University) Enathur, Kancheepuram – 631561 for having given me the opportunity to my Ph.D.

I express my sincere thanks and gratitude to the Vice Chancellor, Registrar and other authorities along with the authorities of the Kanchi Kamakoti Peetham charitable Trust for extending permission to carry out my research programme.

I express my sincere thanks and gratitude to Sri. Vishnu Potti, Head of the Dept. of Sanskrit, Chandrasekharendra Saraswati Viswa Maha Vidyalaya for his invaluable guidance which made this thesis, a reality.

I express my sincere thanks and gratitude to Prof. K.V. Seshadrinatha Sastrigal, the person behind the success of this thesis, whose inspiring example, illuminating lectures, tireless efforts and encyclopedic knowledge, have enabled me to do this thesis on a topic which involves the fusion of two great sciences.
I am indebted to His Holiness Sri Kamakshi Swamigal, Nanganallur, Chennai – 61, whose blessings initiated me into this venture and who has been a constant source of inspiration for me, in a spiritual sense.

I thank Dr.K.Ganesan, former principal, R.K.M.Vivekananda College, Mylapore, Chennai – 4 for his invaluable guidance which he has given in the form of practical suggestions and hints.

I express my sincere thanks to the authorities at the Sri Chandrasekharendra Saraswati international library, Kanchipuram for allowing me to use their books and journals.

I express my sincere thanks to Mr.D.K.Govindaraj, Theosophical Society, Adyar, Chennai – 20 for giving me access to the invaluable treasure of books in Adyar Library.

I am thankful to my father, Sri.E.V.Subrahmanyan under whose advice I started learning Sanskrit and Jyothisha.

I am grateful to my mother, wife and brothers for their constant encouragement and support. I am also thankful to all members of my family, friends, colleagues and well-wishers for their encouragement and help, which has enabled me to persevere with his endeavour.

I am thankful to Sri. R.V.Krishnan and Mrs.Rama Mohanraj’ for their untiring efforts in typing the manuscript in computer and bringing the thesis into its present shape.

E.S.NEELAKANTAN
