Acknowledgements

I deem it my privilege to express my deep sense of gratitude to my supervisor Professor Masood Ahmad but, for whose able guidance and solicitude the thesis would not have taken the present shape. Professor Ahmad, with an eye for perfection and precision helped me in all my endeavours. Need I say that I am most deeply grateful.

I am highly thankful to Professor Zaka-ur-Rab Director, Institute of Agriculture for providing me the necessary facilities.

Thanks are due to Dr. Jawaid Mussarat for his valuable help and co-operation.

I take this opportunity to thank Professor S.K. Kavimandan for his constant support and encouragement during the course of this study.

Indian Agricultural Research Institute (IARI), New Delhi is gratefully acknowledged for atomic absorption spectrophotometer facilities.

My heartfelt thank are also due to my friends Ms Shaba Qamar Ansari, Ms Samina Wasi, Mr Fazal-ur-Rehman Khan and Mr Shams Tabrez Khan. My gratitude to them is for beyond the reach of expression. My lab colleagues Ms Richa Jaiswal and Md. Aamil deserves a note of special thanks.

I am thankful to Print Point services for their efficient and fine typing of the thesis.

Finally I would like to thank my family members for their support, patience and affection endowed on me during the course of this study.

Rana Athar
