LIST OF TABLES:

Sr No.   Content

Chapter 3

1. Content Analysis at a glance
2. Languagewise Content Analysis
3. Timewise Content Analysis

Chapter 5

1. Interest in Political Communication
   1.1 Areawise interest in Political Communication
   1.2 Sexwise interest in Political Communication
   1.3 Agewise interest in Political Communication
   1.4 Educationwise interest in Political Communication
   1.5 Incomewise interest in Political Communication

2. Most Utilised Political Communication Channel
   2.1 Areawise Most Utilised Political Communication Channel
   2.2 Sexwise Most Utilised Political Communication Channel
   2.3 Agewise Most Utilised Political Communication Channel
   2.4 Educationwise Most Utilised Political Communication Channel
   2.5 Incomewise Most Utilised Political Communication Channel

3. Credibility of Political Communication Channels
   3.1 Areawise Most Utilised Political Communication Channel
   3.2 Sexwise Most Utilised Political Communication Channel
   3.3 Agewise Most Utilised Political Communication Channel
   3.4 Educationwise Most Utilised Communication Channel
3.5 Incomewise Most Utilised Political Communication Channel
3.6 Reasons for mass media credibility
3.7 Areawise reasons for mass media credibility
3.8 Sexwise reasons for mass media credibility
3.9 Agewise reasons for mass media credibility
3.10 Educationwise reasons for mass media credibility
3.11 Incomewise reasons for mass media credibility

4 Comprehension of the term "Political Communication"

4.1 Areawise comprehension of "Political Communication"
4.2 Sexwise comprehension of "Political Communication"
4.3 Agewise comprehension of "Political Communication"
4.4 Educationwise comprehension of "Political Communication"
4.5 Incomewise comprehension of "Political Communication"

5 Satisfaction with the content

5.1 Areawise satisfaction with the content
5.2 Sexwise satisfaction with the content
5.3 Agewise satisfaction with the content
5.4 Educationwise satisfaction with the content
5.5 Incomewise satisfaction with the content

6 Reasons for content dissatisfaction

6.1 Areawise reasons for content dissatisfaction
6.2 Sexwise reasons for content dissatisfaction
6.3 Agewise reasons for content dissatisfaction
6.4 Educationwise reasons for content dissatisfaction
6.5 Incomewise reasons for content dissatisfaction
Balance in Content communication

7.1 Area-wise balance in content communication
7.2 Sex-wise balance in content communication
7.3 Age-wise balance in content communication
7.4 Education-wise balance in content communication
7.5 Income-wise balance in content communication

Presentation of Political Communication

8.1 Area-wise presentation of Political Communication
8.2 Sex-wise presentation of Political Communication
8.3 Age-wise presentation of Political Communication
8.4 Education-wise presentation of Political Communication
8.5 Income-wise presentation of Political Communication

Political Content: Propagative or informative?

9.1 Area-wise "Political content: Propagative or informative?"
9.2 Sex-wise "Political content: Propagative or informative?"
9.3 Age-wise "Political content: Propagative or informative?"
9.4 Education-wise "Political communication: Propagative or informative"
