PREFACE

The present study is devoted, for the development of the sports Association. Sports organisations are the public bodies, working on the democratic principles. They cater for a particular need of the society. They develop their own resources of income and spend for its objectives. In our country, many sports organisations are functioning. I have tried to develop the approach of investigator in this field, which is regarded as amateur or non-trading sector.

I express my gratitudes for Prof. E. K. Thombre, the Ex-executive councillor and Dean of the Commerce faculty of Amravati University, whose encouragement and timely guidance enabled me to present this thesis.
I must express my sincer thanks to Shri. Anil Jadhav District representative, The Hitavada and Prof. R. N. Hirurkar for the help, information and co-operation they extended towards me.

I must thank Mr. P. R. Mundle, Mr. G. K. Kelkar, and Mr. G. D. Bapat, for the whole hearted co-operation and help, they have rendered for the completion of this study.

I take this opportunity to express my deep sense of gratitude for my Coach and International Umpire, Shri. P. G. Pandit, and my family members, for without their encouragement and moral support the study was impossible.

At last but not least I thank Principal and my colleague of Bhonsala Military College, and to all those who have directly or indirectly helped and encouraged me in the completion of this work.

Vivek Vasantrao Raje.
