When every hope is gone and helpless flee: help comes from I know not where, this is the essence of God. I am thankful to Allah (SWT) sustainer of the worlds, who bestowed upon me the opportunity to accomplish this work, which would have not seen the light of the day otherwise. The Holy verses and prophets (PBUH) sayings have always infused in me a zest to explore the unknown. I pray to Allah to advance me in knowledge and that my endeavors guide me towards the right path.

First of all, it is indeed a great pleasure to express my sincere and deep sense of gratitude to my supervisor Dr. Ali Mohammad (Chairman, Department of Applied Chemistry) for expert guidance, persistent interest, scholarly criticism and constant encouragement throughout the course of this study made me able to accomplish this task. I am grateful in measure beyond words.

I am also thankful to my research colleagues Hina Zaidi, Seema Rajput, Rubi Gupta, Almas Zehra, Sameen Laeeq, Shumaila Khatoon, Nazia Ersad, Saba Habib, N. Haq and Sudhanshu Sharma who encouraged and inspired me at any course to bring this work very successful.

My special thanks goes to Showkat Bhai, Moheman Bhai, Amjad Bhai and Jameel Bhai for their help, good wishes, constant support and cheerful assistance during this work.
I would like to offer my sincere thanks to all my friends Omaish, Shahid Pervez, Pijush Bhai, Abuzar, Agha Bhai, Rajeev, Asim Bhai, Khalid Bhai, Anees Bhai, Israil Bhai, Ghanzanfar, Shahid, Javed, Akosh, Jitendra, Mustufa, Waseem, Haris, Shahbaz and Shelly for their valuable day to day help throughout the tenure of this work whenever needed and for their interest in my academic pursuits.

I must express my thanks to all the Teaching Staff of the department for their kind cooperation during research. I am also thankful to Non-Teaching Staff of the department for their cooperation.

Finally, I don't find suitable words to express my deepest thank and gratitude to my Parents for their affections and blessings, which have been a source of constant inspiration in accomplishing this task. Special mention goes to my sisters, brothers and all relatives for their love, untiring assistance and encouragement throughout the tenure of this work.

My thanks are also due to Farooq Hassan for carrying out important type setting of the thesis.
