ACKNOWLEDGEMENT

Words and Lexicons can not do full justice in expressing a deep sense of gratitude and indebtedness which flows from my heart towards my esteemed supervisor Professor Dr. Muntaz Ahmad Khan, Department of Applied Mathematics, Faculty of Engineering, Aligarh Muslim University, Aligarh. Under his benevolence and able guidance, I learned and ventured to write. His inspiring benefaction bestowed upon me so generously and his unsparing help and precious advice have gone into the preparation of this thesis. He has been a becon all along to enable me to present this work. I shall never be able to repay for all that I have gained from him.

I shall always remain grateful to Ex-Chairman Prof. Tariq Aziz and to Prof. Aqeel Ahmad, present chairman, Department of Applied Mathematics, A.M.U., Aligarh for providing me necessary research facilities in the department.

I also take this opportunity to thank every staff member of the department of Applied Mathematics who have contributed in any way towards the completion of this task.

My thanks are due to my seniors Dr. Mrs. Muqaddas Najmi, Reader, Women’s Polytechnic, A.M.U., Aligarh, Dr. Abdul Hakim Khan, Lecturer, Department of Applied Mathematics, A.M.U., Dr. Ajay Kumar Shukla, Lecturer, Ideal Institute of Technology, Ghaziabad and Dr. Khursheed Ahmad, Trained Graduate Teacher, S.T. high School, A.M.U., all of whom
obtained their Ph.D. degrees under the supervision of my supervisor, for their help and encouragement in the completion of my Ph.D. work. I am also thankful to my other seniors Mr. Shakeel Ahmad Alvi, P.G. teacher, Senior Secondary School, A.M.U., Mr. Bhagwat Swaroop Sharma, lecturer, Dronacharya Engineering College, Haryana, Mr. Syed Mohd. Amin, P.G. Teacher, City High School, A.M.U., Mr. Ajeet Kumar Sharma, Moradabad and Mr. Khursheed Ahmad, all of whom obtained their M.Phil. degrees under the supervision of my supervisor Prof. Mumtaz Ahmad Khan, for their help and co-operation rendered in writing my Ph.D. thesis.

I wish also to thank my fellow research workers Mr. Abdul Rahman Khan and Mr. Mukesh Pal Singh both working along with Mr. Bhagwat Swaroop Sharma for their Ph.D. degree under the supervision of Prof. Mumtaz Ahmad Khan, for the pains they took in going through the manuscript of this thesis for pointing out errors and omissions in it.

I shall be failing in my duties if I do not express my gratitude to my supervisor's children Miss. Ghazala Perveen Khan (daughter), Mr. Rashid Imran Ahmad Khan (Son) and 6 years old Master Abdul Razzaq Khan (son) for enduring the preoccupation of their father with this work. In particular, I am thankful to the wife of my supervisor Mrs. Aisha Bano, T.G.T., Zakir Hussain Model Senior Secondary School, Aligarh for her kind hospitality and prayer to God for my welfare.

I thankfully acknowledge the co-operation rendered by my younger brothers Ashraf, Diab, Hatim and Mohamed Salama Khammash by keeping
me off from the household responsibilities and shouldering my these themselves to enable me to continue my research work uninterrupted.

I also express my deep appreciation to my beloved wife *Mrs. Ahlam M. Abushabab* for bearing with me my preoccupation with this thesis.

My special thanks are also due my parent - in - laws Mr. Mahmmud Abushabab and Mrs. Fouz Abushabab and in particular to my brother in law Mr. Yaser M. Abushabab who always rose to the occasion to help me during my difficult periods.

I am also thankful to my friend *Mr. Osama Ismail Athaullah* for giving me help as and when required during my stay in Aligarh, India.

In the end I would like to thank Mr. Mohammad Arshad for his painstaking and excellent computer typing for the manuscript of my Ph.D. Thesis.

Finally, I owe a deep sense of gratitude to the authorities of Aligarh Muslim University, my Alma Mater, for providing me adequate research facilities.
