Acknowledgement

I wish to express deep sense of gratitude to my supervisor Prof. Mohd. Farooq Azam, Professor, Department of Botany, Aligarh Muslim University, Aligarh for suggesting a problem of nematodes, vigilant, guidance, consistent, encouragement and critical suggestions throughout the course of investigation and during preparation of the manuscript.

I am grateful to the Chairman, Department of Botany, Aligarh Muslim University, Aligarh Prof. Arif Inam for providing necessary facilities that I needed to carry out the work.

I wish to express my sincere thanks to Dr. Irshad Mahammod, Dr. Athar Ahmad Khan, Dr. Tabreiz Ahamad Khan, Dr. Mansoor Siddiqui and other Professors, Readers and lecturers for their help, care, advice and suggestions throughout the study.

I extend thanks to my senior Peter, my colleague Nasiruddin Ansari, my junior Shahid, Hamid, Abid, Faheem, Sunitibala, Moirangleima, Tarun, Roshan, Baleshwar and Bulbul.

I am grateful to my respected parents Kangabam Shamungou Singh and Kangabam Ibempishak Devi, elder sister Indrani and Radhe, Mamma Rajen, elder brother Suresh and Surjit, younger sister Surnalaka, younger brother Surchandra who boosted me up to achieve course of studies.

A special appreciation to Kangabam (Ongbi) Maharaj Kumari Saroj for wholehearted help and encouragement.

(Kangabam Suraj Singh)
