ACKNOWLEDGEMENT

First and foremost, I bow my head before the Almighty, Allah who helped me in accomplishment of this present thesis work.

It is my honour and privilege to express my heartiest thanks and deep sense of gratitude to my highly esteemed and learned supervisor, Dr. (Mrs) Nakhat Nasreen, Reader, Department of Education, A.M.U. Aligarh. Mere words cannot express my heartfelt feelings for the help, guidance and cooperation which I always received from her. She has been my constant source of inspiration and motivation at every step during my research endeavors. In spite of her busy schedule in the department, as well as at home, she spared a lot of valuable time for me and always guided me with her love, affection, care and sympathy. Her intellectually stimulating discussions and suggestions from time to time and her able guidance always enlightened me in my difficult moments.

I am very thankful and grateful to Professor. Dr. Roquiya Zainuddin, Chairman, Department of Education, Aligarh Muslim University, Aligarh, for providing me all kinds of support and facilities for conducting and completing the present thesis work.

I am also thankful and grateful to my highly esteemed teacher, Professor. Dr C.P.S. Chauhan, Ex- Chairman, Department of Education, Aligarh Muslim University, Aligarh, for his support and his valuable suggestions.

I am also thankful to my respected teacher, Professor. Dr. Nabi Ahmad, for his constant inspiration and motivation.

I am also grateful to Professor. Anwar Jahan Zuberi, Ex- Chairman, Department of Education, Aligarh Muslim University, Aligarh, for providing me valuable suggestions and necessary guidance while completing this thesis work.

It would not have been possible to carry out statistical work and its analysis without the able guidance of Mr. Mohd Ashfaque Ahmad Sb, Senior
Systems Programmer and Administrator, at Department of Computer Science, Aligarh Muslim University, Aligarh. I am also very grateful and thankful to Dr. Fakhruddin, Reader, in Department of Geography, Aligarh Muslim University, Aligarh, in helping me in carrying out the statistical analysis work.

I would also like to thank the principals of various schools of Aligarh district for their help and cooperation in providing the data.

I am deeply indebted to Global Air Services for providing typing and processing facilities. I am also grateful to Non-teaching staff of the Department of Education, Aligarh Muslim University, Aligarh, especially, Mr. Masood Aziz Khan, Mr. Mohd Asif Khan, Mr. Imaduddin, Mr. Kafeel Ahmad Khan and Jahan Ara.

I am also equally thankful and indebted to my father, Prof. Iqtidar H. Khan, for his constant support and encouragement during the completion of this thesis work.

Last, but not the least, I must take this opportunity of expressing my heartfelt gratitude to my late mother, Mrs Meraj Iqtidar. She had been constant source of energy and inspiration. I can never forget her special love, affection and kindness throughout my life. May God rest her soul in peace, Amen.
