Acknowledgements

First of all I am highly thankful to Exalted Almighty who blessed me throughout.

My vocabulary fails in expressing my debt to my reverend supervisor Dr. Shadab Khurshid, Reader, Department of Geology, A M U, Aligarh for his excellent guidance and encouragement during the course of this research work.

I would like to thank chairman, Department of Geology for providing necessary facilities and cooperation during the every phase of research work.

I feel privileged in expressing profound sense of gratitude and indebtedness to Prof. M U Hamid Ahmad, (retired) Department of Geology A M U, Aligarh and Dr. A. Ahmar, Senior Scientist, Geological Survey of India, Lucknow for their valuable suggestions and painstakingly discussions. I am grateful to Dr. M O Bhat and B K Bhat, Wadia Institute of Himalayan Geology for their cooperation & help during the literature survey.

My sincere thanks to Dr. O K Kukral, Dr. M A. Chokar, Dr. Mohd. Shaban and M. Raseen, S K, M O. Soura, Srinagar Kashmir, who helped me during the Bacteriological evaluation of water samples.

I would like to thank Mr. M Imtiyaz, Mech Engineer, who measured the discharge of the springs even in my absence.

I must acknowledge my thanks to my friends and colleagues Dr. Zaeeruddin, A. Hussain, A. Raza, Rafiq Trali, Samir Ahmad, Khurshid Ahmad, Firdous Ahmad, Aqis Ahmad, Zulfiquar, K Sadat, Allamash for their encouragement and cooperation.

It is good fortune as well as matter of pride and privilege for me to place on record my deepest thanks to my parents for their emotional and financial investments. It is my sisters love and supports which sustained me throughout.

I would like to thank all the staff members of Department of Geology A M U, especially Mr. Aftab Ahmad Librarian and Dr. Shakeel Ahmad.

My special thanks to Mr. M. Shakir and M. Karoon (Anglo Computers) for excellent artistic work and taking pains in typing the manuscript.

E. I. Sultana
