“All praise to almighty ALLAH, the creator and sustainer of this beautiful world. He created us and taught what we knew not (Al-Quran). He is the only one who granted me the knowledge, strength, courage and patient to conduct this piece of work and ability to utilize this opportunity properly.

I thank almighty ALLAH for giving me so nice parents whose, care sacrifice and sustained efforts enable me to reach this platform of knowledge. Whatever I am today is because of their prayers, loving care, and sincere endeavors. I cannot give them anything in return except to fulfill their dreams.
