ACKNOWLEDGEMENT

"In the name of Allah the most beneficient and merciful"

"All praise to Almighty 'Allah', the creator, cherisher and sustainer of the world. He created man and thought him that which he knew not (Al-Quran)."

He is the most gracious and most merciful to all His creators. He endured me with the requisite knowledge and ability to produce this piece of work. I bow down to Him, in gratitude with all humanity from the depth of my heart.

I thankful my Allah for giving me nice parents who care, sacrifice and sustained efforts enables me to acquire knowledge. Whatever I am today is because of their prayer, love and care and endeavours. I cannot give them anything in return except a heartfelt of love, affection and deep reverence.

I feel immense pleasure to express my regards, deep sense of gratitude, heartfelt devotion and sincere thanks to my esteemed teacher and supervisor, Dr. Nishat Fatima, (Assistant Professor), Department of Library and Information Science, AMU, Aligarh, who despite of her busy schedule, provide me excellent guidance, motivation, constant help at any time and keen interest in my dissertation, without whose untiring efforts and able guidance this work would have never taken the present shape. It was a great opportunity to work under her supervision.

I pay my special thanks to Mr. S. Mustafa K.Q. Zaidi (Ex-chairman) his unabridged support valuable suggestions and providing necessary facilities that made it possible to claim the accuracy of this work.
I pay my special thanks to Honourable, Prof. Shabahat Husain, (Library In-Charge), Maulana Azad Library AMU, Aligarh for their unfailing support and guidance that is beyond the words.
