ACKNOWLEDGEMENTS

In the name of Almighty Allah, the most beneficent and merciful. It is the time when I am overwhelmed with a sense of gratitude for my supervisor. I present my heartiest thankfulness and indebtedness to venerable Dr. Mukhtar A. Khan for his supervision. Flawless and par-excellence, invaluable and lofty suggestions, ennobling my work, his constructive criticism helped me scrap my errors.

Off and on his extremely good pieces of advice renovated me and molded my future to a good shape. I would like to pay my heartfelt thanks to my honorable supervisor who snatched the time out of his busy schedule, his self-effacing dedication encouraged me to accomplish the task efficiently.

I am thankful to Dr. Absar Mustafa Khan, Chairman, Department of Zoology, Aligarh Muslim University Aligarh for providing the laboratory facilities.

I am also thankful to Prof. Asif Ali Khan, Dr. Iqbal Parvez, Dr. Malik Irshadullah and Dr. Abbas Abidi. I am profoundly grateful to ex-Chairman, Prof. Mohammad Hayat for extending his generous help.

I am highly thankful to S. F. Abidi for her help throughout the completion of this research work whose encouragement kept me going through some of the crucial times. Her indispensable encouragement and pep talk is greatly appreciated.

I also express my thanks to my lab colleagues Dr. Imtiaz, Ms. Farhat, Ms. Shumaila, Ms. Sadaf and Ms. Seemab for their support and cooperation.

I owe a debt to gratitude to my parents for their affection, trust, patience and sacrifices. I also thanks to my brothers and sisters.

Tabassum Qamar Siddiqui
