4.18 Inter - Item and Item - total correlations. 113
4.19 Showing the norms, N = 1000 male students (SESSU). 114

5.1 Sample of Pilot study. 125
5.2 Sample of Second Phase of Tryout for determining reliability and validity of the test. 125
5.3 Item Analysis – difficulty index and discrimination index of items. 127
5.4 Detail analysis of the test. 132
5.5 Coefficients of reliability of spoken english test. 133
5.6 Coefficient of correlation between the scores on spoken english test and scores on school Examination Results. 134
5.7 Agreement of psychologists and subject experts. 134

6.01 Showing Correlation Matrix among the pre learners 148
6.02 Showing effect of Grade and Locale on Receptive and Expressive skills of spoken english 150
6.03 Summary of ANOVA showing effect of Grade and Socio Economic Status on Receptive and Expressive forms of spoken english. 151
6.04 Summary of 2x4 ANOVA showing effect of Grade and Parental Education on Receptive and Expressive form of spoken english. 152
6.05 Summary of 3x3 ANOVA showing effect of Socio Economic Status (SES) and Locale on Receptive and Expressive forms of spoken english. 153
6.06 Summary of ANOVA showing effect of Parental Education and Socio Economic Status (SES) on Receptive and Expressive forms of spoken English. 154
6.07 Summary of ANOVA showing effect of Sex and Receptive and Expressive Skills of Spoken English. 155
6.08 Statistical differential indicating difference between the Global Receptive and Expressive skills of P.P.I and P.P.II prelearners 156
6.09 Showing Mean differences on Receptive and 157
Expressive form of spoken english of MALE and FEMALE prelearners

6.10 Showing Mean, SD and ‘t’ values of Grade P.P.I & P.P.II prelearners residing in different Locale with respect to Receptive and Expressive skills of spoken english

6.11 Showing Mean, SD and ‘t’ values of Receptive & Expressive skills of spoken english of prelearners of Grade P.P.I & P.P.II of different Parental (Father’s & Mother’s) Educational qualifications.

6.12 Showing Mean, SD and ‘t’ values of prelearners of Grade P.P.I & P.P.II of different SES with respect to Receptive & Expressive skills of spoken english

6.13 Showing Mean, SD and ‘t’ values of prelearners of Grade P.P.I & P.P.II of different components of Phonology of spoken english

6.14 Showing Mean, SD and ‘t’ differences of Phonology of spoken english difference of P.P. I & P.P. II Male and Female Prelearners

6.15 Showing Mean, SD and ‘t’ values of Grade P.P.I & P.P.II prelearners residing in different Locale with respect to Phonological Variation of spoken english

6.16 Showing Means, SD and ‘t’ values of prelearners of Grade P.P.I & P.P.II of different educational qualification of FATHER’S with respect to phonological variation of spoken english

6.17 Showing Means, SD and ‘t’ values of prelearners of Grade P.P.I & P.P.II of different educational qualification of MOTHER’S with respect to phonological variation of spoken english

6.18 Showing Means, SD and ‘t’ values of prelearners of Grade P.P.I & P.P.II of different SES with respect to phonological variation of spoken english

6.19 Showing Mean, SD and ‘t’ values of prelearners of Grade PPI and PPII in various components of
6.3.2.2 Differential effect of Sex on Phonological variation in development of spoken English.

6.3.2.3 Differential effect of Locale variation on Phonological development of spoken English.

6.3.2.4 Differential effect of Parents Educational Status (FATHER) on development of Phonological variation of prelearners.

6.3.2.5 Differential effect of Parents Educational Status (MOTHER) on development of Phonological variation of prelearners.

6.3.2.6 Differential effect of Socio-economic Status of the prelearners on development of Phonological variation.

6.3.3.1 Differential effect of Morphological variation in spoken English Grade P.P.I and Grade P.P.II of prelearners.

6.3.3.2 Differential effect of Sex on Morphological skills of spoken English of prelearners.

6.3.3.3 Differential effect of Locale variations on development of Morphological skills of spoken English of prelearners.

6.3.3.4 Differential effect of Parent's Education (FATHER) on development of morphological skills of prelearners.

6.3.3.5 Differential effect of Parent's Education (MOTHER) on development of Morphology of prelearners.

6.3.3.6 Differential effect of Socio-economic Status of the family of prelearners on development of Morphology.

6.3.4.1 Differential effect of Semantic variation in spoken English Grade P.P.I and Grade P.P.II of prelearners.

6.3.4.2 Differential effect of Sex on Semantic variation in development of spoken English.

6.3.4.3 Differential effect of Locale variation on Semantic variation of spoken English of prelearners.

6.3.4.4 Differential effect of Parents Education (FATHER) on development of Semantic variation of prelearners.

6.3.4.5 Differential effect of Parents Education (MOTHER) on development of Semantic variation of prelearners.

6.3.4.6 Differential effect of Socio-economic Status of
Morphology of spoken English

6.20 Showing Mean, SD and 't' values of prelearners of Grade P.P.I & P.P.II in different components of Morphology of spoken English

6.21 Showing Mean SD and 't' values of Grade P.P.I & P.P.II prelearners residing in different Locale with respect to Morphological variation in spoken English

6.22 Showing Mean SD and 't' values of prelearners of Grade P.P.I & P.P.II of different educational qualification of FATHER'S with respect to Morphological variation in spoken English

6.23 Showing Mean SD and 't' values of prelearners of Grade P.P.I & P.P.II of different educational qualification of MOTHER'S with respect to Morphological variation in spoken English

6.24 Showing Mean SD and 't' values of prelearners of Grade P.P.I & P.P.II of different SES with respect to Morphological variation of spoken English

6.25 Showing Mean SD and 't' values of prelearners of Grade P.P.I & P.P.II of different SES with respect to Morphological variation of spoken English

6.26 Showing Mean, SD and 't' values of Sex Difference of Grade P.P.I & P.P.II prelearners with respect to Semantic Variations of spoken English

6.27 Showing Mean, SD and 't' values of Grade P.P.I & P.P.II prelearners residing in different Locale with respect to components of Semantic variations of spoken English.

6.28 Showing Mean, SD and 't' values of prelearners of Grade P.P.I & P.P.II different educational qualification of their FATHER'S with respect to Semantic Variations of spoken English.

6.29 Showing Mean, SD and 't' values of prelearners of Grade P.P.I & P.P.II different educational qualification of their
MOTHER'S with respect to Semantic Variations of spoken english.

6.30 Showing Mean SD and 't' values of prelearners of
Grade P.P.I & P.P.II of different SES with respect to
Semantic variations in spoken english.

6.31 Showing Mean SD and 't' values of prelearners of
Grade PPI and PPII in various components of Syntax of
spoken english

6.32 Showing Mean, SD and 't' values of Sex Difference of
Grade P.P.I & P.P.II prelearners with respect to Syntax
Variations of spoken english

6.33 Showing Mean, SD and 't' values of Grade P.P.I &
P.P.II prelearners residing in different Locale
with respect to components of Syntactical variations of
spoken english

6.34 Showing Mean, SD and 't' values of prelearners of
Grade P.P.I & P.P.II different educational
qualification of their FATHER'S with
respect to Syntactical Variations of spoken english

6.35 Showing Mean, SD and 't' values of prelearners of
Grade P.P.I & P.P.II different educational qualification
of their MOTHER'S with respect to Syntactical Variations
of spoken english.

6.36 Showing Mean SD and 't' values of prelearners of
Grade P.P.I & P.P.II of different SES with respect to
Syntactical variations of spoken english.

6.37 Showing Coefficient of Correlation between Phonological
(Phono), Morphological (Morph) , Semantic (Sem) and
Syntactical (Syn) components of spoken english.

6.38 Showing Global view on the results

6.39 Showing Effect of Grade, Sex, Locale, Parental
Education and SES on Receptive and Expressive Skills of Prelearners
