ACKNOWLEDGEMENT

I am highly indebted to Dr. Paras Nath Singh Ex. Head Dept. of Agricultural chemistry & soil science, Associate Prof. (Retd.) Biochemistry, S.M.M. Town P.G. College Ballia with a deep sense of gratitude to him for his valuable guidance, suggestions, criticism, unfailing courtesy and generous help during the entire course of this work. I again owe a deep debt of thankfulness to him for probing new ideas, provoking me out of intellectual ruts, with his encyclopedic knowledge of Agricultural science alongwith literature and for the precious time he had given for my work.

Grateful thanks are also due to Dr. V.K. Singh Principal, S.M.M. Town P.G. College Ballia for providing me necessary facilities during the course of investigation. I am extremely thankful to Dr. Ashok Kumar Singh Head Dept. of Agricultural chemistry & Soil science, Dr. Samarjeet Singh Head Dept. of Genetics and Plant Breeding & Dean faculty of Agriculture, Mahatma Gandhi Kashi Vidyapeeth, Varansi for their constant encouragement, suggestions and help throughout the present course of study.

I am indeed indebted to my colleague Dr. S.N. Singh & Dr. R.K.Singh for their unrestricted help, suggestions and criticism during the whole course of investigation and manuscript preparation.

I acknowledge a gratitude to my esteemed father Sri Ajay Bahadur Shahi & my beloved mother Smt. Moti Shahi for their patience, encouragement and having relieved me from family pressure to complete this work.

At last but not least, I feel pleasure to offer my thanks to my colleagues, friends and Mr. Anoop Kumar Singh for their unstained co-operation, help and typing of manuscript. Vishal Bahadur Shahi
