ACKNOWLEDGEMENTS

I contemplate myself most fortune to work under the guidance of Dr. Rajesh S. Patel Associate Professor, K.K. Shah Jarodwala, Maninagar Science College, Ahmedabad, Gujarat, for the motivation, valuable guidance and continuous support during this study. I also acknowledge the critical suggestions and encouragements made by his during the write up and throughout the edition of the present work.

I express my heartfelt thanks to my Ph.D Co-Ordinator Dr. G. M. Kachhava, Shri Jagdishprasad Jhabarmal Tibrewala University, Chudela, Jhunjhunu, Rajasathan, for extending all the possible help rendered to me during the course of work and also for providing necessary facilities towards the completion of the study.

My sincere gratitude to Dr. Hitesh Patel, for the necessary advice, useful discussions and constant encouragement during this work.

I sincerely thank the authorities of Pramukh Swami Science and H. D. Patel arts college S. V.Campas at Kadi, Gujarat, for providing necessary facilities for plant tissue culture work.

I express my heartfelt thanks to Dr. Payal M. Patel, Assistant Professor, M. G. Science Institute, Navrangpura, Ahmedabad, Gujarat, for her expert guidance, the valuable suggestions, useful discussions and constant encouragement during this work.

I sincerely thank to Dr. Sarju Prajapati and Dr. Rinku P. Patel for providing me all necessary facilities required during phytochemical and antimicrobial screening.

I sincerely thank the authorities of Sardar Patel Research and Training Institute, Anand, Gujarat, for providing necessary facilities for RAPD analysis.
I am highly indebted to Vijay Chauhan, Vijay Lab, Isanpur, Ahmedabad for providing me all necessary facilities required during pharmacological work. I would like to thanks Chromus Biotech team for helping.

I would like to thank Mrs. Chetna R. Patel (wife of Dr. R. S. Patel) for their timely help with smile and mentally support during this study.

The whole contribution for my achievements goes to my parents, brother and sister, for the moral support and providing the resources to finish my work. Their unwavering faith in me has been a source of constant inspiration for me.

I show my appreciation to my husband Niraj V. Patel, for their caring, involvement and providing me the moral support throughout my work.

Last but not the least, I thank all those who are directly or indirectly involved in completing this work and seek sincere apologies for not naming them individually.

Manisha Patel
