Acknowledgements

I wish to express my sincere gratitude and appreciation to my guide Dr. A.C. Bhardwaj, Reader-cum-head (Retd.) PG-Department of Zoology, Sanatan Dharm College, Muzaffarnagar for his analytical guidance, excellent advice and timely encouragement during the course of this study. Words are inadequate to acknowledge the great care and keen interest taken by him in all aspect of present work.

I am extremely thankful to Dr. Dinesh Kumar, Principal, Sanatan Dharm College, Muzaffarnagar for his parental advice and blessing during the course of investigation.

I am also thankful to Dr. Saroj Gupta, Head, PG-Department of Zoology, Sanatan Dharm College, Muzaffarnagar for blessings. My sincere appreciation goes to the Librarian I.A.R.I., New Delhi and the librarian C.C.S. University for granting me permission to consult scientific journals and collection of desired informations, to the Director I.S.I.C, IIT Roorkee and N.H.I., Department of IIT Roorkee for extending technical assistance, to the Director Triveni Sugar Mill Unit-Khatauli for providing information's, to the Manager Sir Shadi Lal Garden and District
Horticulture Officer, Muzaffarnagar during the collection of experimental insect, are also thankfully appreciated.

Savant Scientists and Authors whose works have been referred quoted herein for coherence and competence of this thesis are also gratefully acknowledged.

It is my pleasure to thanks Dr. Shyam Lal Verma (Geography Department), Mr. P.K. Agarwal (Library) of S.D. College to Dr. Puja Tomar and all staff members of Zoology Department of S.D. College for their encouragement.

I express my gratitude to my uncle Shri Narendra Singh for the continuous encouragement. His blessings has brought me at this level of academic achievements.

It is a matter of extreme pride for me to register my deep sense of gratitude to my father Shri Satya Prakash Sharma for his day to day encouragement and moral support for life in hard times and my mother Smt. Premlata Sharma for providing moral values and very intellectual
way of support without their kind blessings it would have been very difficult task to complete my work.

I express my loving younger sister Dr. Shalini Sharma for her understanding and sharing problems in various ways and permitting me to finally complete the work.

Special thanks to my beloved younger brothers Mr. Ashutosh Sharma and Mr. Abhishek Sharma for their kind support help and encouragement throughout the entire research programme.
